You simply have to choose the scheme that suits your investment horizon and risk tolerance.

A voluntary defined contribution Plan wherein you will have an option to enroll and choose your Pension Service Provider (PSP) within 30 days from the date of joining the company.

We currently have tie-ups with two leading PSPs to manage the superannuation funds. LIC & ICICI offer a superannuation scheme which offers interest on accumulated balance every year. ICICI Prudential also has an Unit Linked Superannuation Scheme which offers you a market linked return, range of fund options to suit your risk appetite & transparent fund management.

The enrollment option can be exercised only once in the service with the organization and cannot be reversed once made. VSS enrollment window period will also be available once every financial year. The Company, on behalf of the member employee, shall contribute 10% of basic salary towards the scheme selected by the member. In case 10% of basic exceeds Rs.1,80,000 per annum, member employee will have an option to restrict the contribution to Rs.1,80,000 per annum to avoid perquisite tax (perquisite tax is applicable on contributions exceeding Rs.1,00,000 every year).

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- Basic Salary
- Monthly Allowances
- Variable Pay
- Retirals & Insurance Benefit

- Disclaimer:
- ***Your individual compensation structure may not necessarily have all the components as applicable to the respective Band.***

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organisation and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the HF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The ratio of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

RETIRALS & INSURANCE BENEFIT

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards various insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows:

- The policy covers hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to enter Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependents and on confirming that they are NOT covered under any other employer sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependants declaring.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employees will be covered under Employees' State Insurance **Scheme** in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948.**

Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to avail under medical insurance is available as well, however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions stipulated under Medical Insurance policy.

*The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

Signature of Employee:

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR 1,250/- whichever is lower is remitted to PF contribution towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.

  *The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26 of a monthly basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 10,00 lakhs.

- **Term Life Insurance (Including EDLI):** In HCL, you will be covered under the term-life insurance which provides safety net to family in case of death of the employee due to any reasons. The applicable amount is mentioned in your offer letter.

- **Disability Insurance:** You are also covered against any permanent or partial disability that may arise due to an accident. The amount payable by insurer for a disability shall depend on nature of the disability. The amount mentioned in your offer letter is the maximum amount paid by insurer as per the nature of a disability. You may refer 'Personal Accident Insurance' policy for further details.

We look forward for you being an integral part of this exclusive yet fulfilling journey towards excellence and growth and hope our relationship will go a long way!

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- Basic Salary
- Monthly Allowances
- Variable Pay
- Retrals & Insurance Benefit

- **Disclaimer:**
- **Your individual compensation structure may not necessarily have all the components as applicable to the respective Band**

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 300% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

Registered Office: 806 Siddharth, 96, Nehru Place, New Delhi-110019, India
www.hcltech.com
www.hcl.com

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (rules / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

RETIRALS & INSURANCE BENEFIT

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amounts mentioned under 'Insurance and Medical benefits' in your compensation structure is applicable towards various insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows:

- The policy covers Hospitalisation expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependents and on confirming that they are NOT covered under any other employer sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependents declared.
- The hospitalisation coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well, however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions established under Medical insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to President Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form 12 declaration.

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorised under the following broad heads:

- Basic Salary
- Monthly Allowances
- Variable Pay
- Retirals & Insurance Benefit

- **Disclaimer:**
- ***Your individual compensation structure may not necessarily have all the components as applicable to the respective Band.***

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organisation and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 10,000 spread over 12 months.

- **Adhoc Statutory Bonus:** Applicable when monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

HCLT Confidential

Signature of Employee:

The scope of "Variable Pay" in your compensation structure will be governed based on your 'employee group' in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

RETIRALS & INSURANCE BENEFIT

You and your dependents will be covered under Social Security as per the law and insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards annual insurance (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows:

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependents and on confirming that they are NOT covered under any other employer sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall bound all employees (referred) covered.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well, however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions stipulated under Medical insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form 11 declaration.

  *The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 20.00 lakhs.

- **Term Life Insurance (including EDLI):** At HCL, you will be covered under the Term life insurance which provides safety net to family in case of death of the employee due to any reasons. The applicable amount is mentioned in your offer letter.

- **Disability Insurance:** You are also covered against any permanent or partial disability that may arise due to an accident. ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- Basic Salary
- Monthly Allowances
- Variable Pay
- Retirals & Insurances Benefit

- **Disclaimer:**
- ***Your individual compensation structure may not necessarily have all the components as applicable to the respective Band.***

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other fixed components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

DETAILS & INSURANCES BENEFIT

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards various insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows:

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, **dependent** children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependents and on confirming that they are NOT covered under any other employer sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependents declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948.**

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

  **The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.

  *The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26) of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 10.00 lakhs.

- **Term Life Insurance (including EDLI):** At HCL, you will be covered under the term-life insurance which provides safety net to family in case of death of the employee due to any reasons. The applicable amount is mentioned in your offer letter.

- **Disability Insurance:** You are also covered against any permanent or partial disability that may arise due to an accident. The amount payable by insurer for a disability shall depend on nature of the disability. The amount mentioned in your offer letter is the maximum amount paid by insurer as per the nature of a disability. You may refer 'Personal Accident Insurance' policy for further details.

We look forward for you being an integral part of this endeavor on fulfilling journey towards excellence and growth and hope our relationship will go a long way!

If in the course of my employment with the Company, I incorporate into a Company product, process, or machine a Prior Invention owned by me or in which I have an interest, the Company is hereby granted and shall have a nonexclusive, royalty-free, irrevocable, perpetual, worldwide license to make, have made, modify, use and sell such Prior Invention as part of or in connection with such product, process or machine.

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorised under the following broad heads:

- Basic Salary
- Monthly Allowances
- Variable Pay
- Retrals & Insurance Benefit

Disclaimer:
Your individual compensation structure may not necessarily have all the components as applicable to the respective Band.

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc. and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and the amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 30,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 15,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other Food components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

RETIRAL & INSURANCE BENEFIT

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards annual insurance (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical insurance policy are as follows:

- The policy covers Hospitalization expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependants and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependants declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948**.

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well, however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions stipulated under Medical insurance policy.

  *The employee & employer contributions will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form 11 declaration.

  *The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 10,00,000 (Rs.10 lakh).

- **Term Life Insurance (including EDLI):** As HCL, you will be covered under the Term life insurance which provides safety net to family in case of death of the employee due to any reasons. The applicable amount is mentioned in your offer letter.

- **Disability Insurance:** You are also covered against any permanent or partial disability that may arise due to an accident. The amount payable by Insurer for a disability shall depend on nature of the disability. The amount mentioned in your offer letter is the maximum amount paid by Insurer as per the nature of a disability. You may refer 'Personal Accident Insurance' policy for further details.

ANNEXURE IV

EXPLANATION OF COMPENSATION STRUCTURE AND EMPLOYEE BENEFITS

To facilitate an easy understanding of your compensation structure (Cost to Company, CTC), the various components have been categorized under the following broad heads:

- Basic Salary
- Monthly Allowances
- Variable Pay
- Retrials & Insurances Benefit

- **Disclaimer:**
- ***Your individual compensation structure may not necessarily have all the components as applicable to the respective Band.***

The details for each component falling under these heads are explained as following:

BASIC SALARY

The Basic Salary is standard across organization and brought to a certain value of the CTC. Basic salary has an impact on various other components such as the PF contribution, medical insurance cover, Gratuity, HRA etc, and hence has to be balanced so as not to substantially reduce the employee's take home salary.

MONTHLY ALLOWANCES

- **House Rent Allowance (HRA):** The HRA is payable maximum Up to 100% of the Basic Salary and paid monthly. This includes the Company Leased Accommodation value. For those who are not staying in a rented accommodation, can declare the same in the system post joining and this amount would be paid as taxable component.

- **Food Wallet:** Food Wallet is a voluntary benefit and is applicable for payments related to food and non-alcoholic beverages only. Once enrolled, the benefit should be availed within HCL Cafeterias or food joints outside HCL campus which serves only food and non-alcoholic beverages. This Food Wallet cannot be used in any other outlet other than designated food outlet.

- **Holiday Allowance:** Holiday Allowance is payable maximum up to INR 50,000 spread over 12 months.

- **Advance Statutory Bonus:** Applicable where monthly gross does not exceed INR 21,000 (excluding variable component) as per the Payment of Bonus Act.

- **Compensatory Allowance:** Compensatory Allowance is a buffer component that adjusts the amount of CTC against all other food components.

- **VARIABLE PAY**

The scope of "Variable Pay" in your compensation structure will be governed based on your "employee group" in HCL.

Performance Bonus (PB):

Performance Bonus (PB) is payable in accordance with the Company's Bonus Policy (sales / delivery / functional support) as applicable at that time. The quantum of pay-out will be subject to the current year's Bonus Policy and will be calculated based on your individual contributions against your Key Performance Parameters (KPP) as well as the company's performance.

PB is payable at the end of the performance review cycle. To be eligible for the bonus pay-out, you need to be active on the rolls of the company at the time of reward distribution as per Performance review and Reward cycle.

Engagement Performance Bonus (EPB): Engagement Performance Bonus is a variable component payable on a monthly basis. Pay-out against this component will be governed by the EPB policy (as amended from time to time) that is applicable to your employee group.

RETIRALS & INSURANCES BENEFIT

You and your dependents will be covered under Social Security as per the law and Insurance Benefits policy offered by the company. The amount mentioned under 'Insurance and Medical Benefits' in your compensation structure is applicable towards various Insurances (Medical Insurance, Term Life Insurance, Personal Accident Insurance).

Medical Insurance: Some of the salient features of the Group Health Medical Insurance policy are as follows:

- The policy covers Hospitalisation expenses and Maternity expenses.
- By default, the employees (who are not covered under the ESI Act, 1948) will be mandatorily covered under the benefit. The benefit will also be available to cover Spouse, dependent children, dependent parents/in-laws, dependent brothers who are unemployed but below the age of 25 and sisters (unmarried & unemployed), additionally, by declaring them as dependents and on confirming that they are NOT covered under any other employer-sponsored medical scheme (e.g., Central Government Health Scheme) and that they are wholly or substantially dependent on you for their medical needs.
- The premium payable depends on the dependents declared.
- The hospitalization coverage limit will be same as defined in compensation structure.
- Company reserves the right to amend the benefit plan and shall keep all employees informed/updated.
- You may refer 'Medical Insurance policy' for further details.

- **Coverage under ESI:** The employee will be covered under Employee State Insurance Scheme in accordance with the applicable norms and amendments made during time to time or any further amendment which may come into force during the employment tenure under **Employees' State Insurance Act, 1948.**

  Employees covered under ESI would not be covered by default under HCL's medical insurance benefit. Option to enroll under medical insurance is available as well; however, in such a case, the additional cost of annual medical premium has to be borne by the employee as per terms and conditions elucidated under Medical Insurance policy.

  *The employee & employer contribution will be payable as per current prescribed rates under ESI Rules.

- **Employer's contribution to Provident Fund:** As per statutory requirements, an employee has to contribute 12% of the basic salary towards Provident Fund (PF). HCL contributes matching amount to PF. Out of employer's contribution, 8.33% of monthly basic or INR. 1,250/- whichever is lower is remitted to PF authorities towards Employees' Pension Scheme (EPS). All employees are thereby eligible to draw pension after superannuation, except those who had opted out of EPS as per Form-11 declaration.

  *The percentage and amount is in compliance with the current PF Act.

- **Gratuity:** As per statutory requirements, it is employer's statutory liability to pay 15 days Basic salary (15/26 of a monthly Basic) for every completed year of service to each of his employees on their exit, for any reason after five years of continuous service, subject to maximum limit of INR 20.00 lakhs.

- **Term Life Insurance (Including ESIC):** At HCL, you will be covered under the Term-Life Insurance which provides safety net to family in case of death of the employee due to any reasons. The applicable amount is mentioned in your offer letter.

- **Disability Insurance:** You are also covered against any permanent or partial disability that may arise due to an accident. The amount payable by Insurer for a disability shall depend on nature of the disability. The amount mentioned in your offer letter is the maximum amount paid by Insurer as per the nature of a disability. You may refer 'Personal Accident Insurance' policy for further details.

We look forward for you being an integral part of this arduous yet fulfilling journey towards excellence and growth and hope our relationship will go a long way!

Disclaimer

You acknowledge that the Company is not in any way influencing, guiding, suggesting on aspects of taxation or tax saving measures in any form and that the same is individual's decision / personal choice.

Please note that all components mentioned above may or may not be a part of your compensation structure. HCL reserves the right to alter, expand or withdraw the benefits extended either in part or in full based on management's discretion.

Patent and Copyright Registrations.
