GEC ALUMNI ASSOCIATION

Minutes of 11th Alumni Meet held on 12-07-2014

The following resolutions are taken during 11th Alumni meet held on 12th July 2014:

I. Web Portal Development:

- a. Web Portal for better communication with alumni members of GEC.
- b. If any student teams are interested to build Web portal in given time frame, it will be given to them otherwise we will hire a consultancy in building the same.

II. Task Force:

A group has to be formed from each department consisting of 2 students each from 2nd, 3rd, 4th Years along with department Alumni coordinator and HOD of that department by October 1st week.

III. Guest lectures for 3rd and 4th Year students.

IV. Mock Interviews

V. Personality Development Programs

VI. Practical exposure

VII. Internships

The student task force team which was formed as above would communicate to us the topic what they need(From (III) to (VII)) and based on their requirement we would find in house alumni people if suitable else we can take help of experience people in the domain. But overall, the task force should be active and communicate their requirements to the alumni facilitator and thus to the alumni body present in the college.

Alumni association has to know the needs from alumni facilitator what the needs task force want and at feasible time so that we as alumni association would take this up.
