

## Thank You Note

Dear Alumnus,

**I would like to extend my heartfelt gratitude to our alumni who are able to attend SAMANVAY 2017 (13<sup>th</sup> Alumni Meet) on 17th December 2017 organized by Hyderabad and Bengaluru chapters of GEC Alumni Association.** It takes a lot of sacrifice to set aside time out of your busy schedules and come over to catch up with your alumni that you had not seen for many years. I do hope that the experiences of this day will be worth the sacrifice you have made. Those of you who are not able to make it, do not despair because many more activities are planned for you in near future. **I would like to appreciate the alumni who contributed towards making it such a remarkable event with great memories for all of us.** It was evident from the outstanding turn out that the committee worked very hard to find and include as many alumni as possible. It is noticed that many little details are carefully planned to create an event in which everyone would enjoy and feel it as fruitful. Moreover, we had a fruitful discussion about the ways of improving the interaction between the students in the college and the alumni to provide information about industry needs, industrial training, internships, job opportunities and opportunities for higher education in India and abroad. The suggestions given by the alumni during the discussion will be considered for the improvement of overall standards of students, faculty and the college. **All the alumni members are requested to involve actively in curriculum design by suggesting the subjects that meet the industry needs. Most of you hold key positions of influence, I would appreciate to see that you use the influence to provide guidance, internships, industrial training and placements to the students in GEC.** As alumni who truly love and faithfully support this great institution, I hope you extend your support in what we are doing and where we plan to go. Finally, I want to thank all of you for the amazing support you have always extended to the alma mater.

*"Each new day is a blank page in the diary of your life. The secret of success is in turning that diary into the best story you possibly can."* **May all your dreams and wishes come true in 2018. Wishing you and your family a Happy New Year.**

**Dr.P.Ravindra Babu**  
Principal
