The College, situated at Gudlavalleru is surrounded by lush green fields providing serene atmosphere to the learners. The college offers B.Tech. programme in six branches of Engineering, viz., Civil, EEE, ME, ECE, CSE & IT, and PG courses in MBA and M.Tech (ES), M.Tech (CSE), M.Tech (PEED), M.Tech (SE), M.Tech (MD) and M.Tech (CNIS).

All the eligible UG engineering programmes have been accredited by National Board of Accreditation (NBA) of AICTE, New Delhi and by NAAC. The college is also accredited by TCS.

THE DEPARTMENT

The Department of Mechanical Engineering was established in 1998 and is offering undergraduate course in Mechanical Engineering. The department has qualified and experienced staff and well equipped Labs. Students of the Department have added value to the Department by getting placed in a good number of core and software organizations and by excelling in competitive examinations like GATE, CAT etc.

The Department is marching forward keeping pace with the technological advances in Mechanical Engineering.

LOCATION

Gudlavalleru is located on Gudivada - Machilipatnam route and is well connected by road and rail to Gudivada (10 kms), Machilipatnam (26 kms) and Vijayawada (55 kms).

THE TRAINING PROGRAMME

MATLAB is a high performance language for technical computing. It integrates computation, visualization and programming in an easy-to-use environment where problems and solutions are expressed in familiar mathematical notations. MATLAB provides an interactive environment that enables users to perform intensive tasks faster. In the current scenario MATLAB has become an important tool for all engineers both in academia and industry.

The aim of the workshop is to expose the participants to the use of MATLAB and its applications. The workshop also provides hands on experience with MATLAB software starting from fundamental by performing various numerical experiments.
