| <b>Participants</b>    | Students: 122 attended talk and 63 presented their idea posters on eve.<br>Faculty:5 |

**Objective:**

To promote innovative solutions for a cleaner environment, advancing India's sustainable development

**Exemplary:**

The focus on innovative solutions for a cleaner environment through poster presentations is an excellent way to engage and educate the community. Events like these play a crucial role in fostering environmental consciousness and encouraging sustainable practices. It's heartening to see students actively contributing to the promotion of environmental awareness, as this not only benefits the immediate community but also contributes to the broader goal of sustainable development in India.

A total of 64 students of various branches which includes IIC members and 5 faculty coordinators under gone the National Pollution Control Day promotion and all the students of the institute are created awareness on “National Pollution Control Day”. The Event inaugurated and followed by expert talk from Er. M. Durga Prasad, Retired Executive Engineer, A.P. Division. To promote innovative solutions for a cleaner environment, advancing India's sustainable development student show cased their ideas through poster presentation. The Principal and IIC president Dr. B. Karuna Kumar, IIC Convenor and vice Principal –Academics Dr. M.R.Ch. Sastry conveyed their hearty congratulations and thanks to all staff of SRGEC, particularly IIC team for making event grand success. The event last for the entire day with overwhelming response from the student and faculty community.
