Exemplary:

Seshadri Rao Gudlavalluru Engineering College's Innovation and Incubation cell, SRGEC TECHDOC, successfully hosted the Internal SMART HACKATHON 2023. The event, in collaboration with the Departments of CSE, AIDS, AI&ML, and IT, aimed to cultivate innovation and problem-solving skills among students and faculty.

The hackathon attracted enthusiastic participation, with a total of 60 teams comprising 356 students and 28 faculty members. The participants were engaged in tackling real-world challenges pertinent to the industry and academia. The day-long event fostered collaboration, creativity, and the development of viable solutions.

Distinguished mentors, including industry experts and faculty members, provided guidance and support throughout the hackathon. The projects were evaluated based on predefined criteria, emphasizing innovation, feasibility, and potential impact. The diverse range of projects reflected the participants' dedication and ingenuity.

The closing ceremony featured presentations from each team, showcasing their solutions and addressing queries from a panel of judges. The winning teams were recognized for their outstanding contributions, receiving accolades and, in some cases, potential avenues for further development or implementation.

Beyond the competitive aspect, the hackathon served as a platform for networking, skill enhancement, and fostering a culture of innovation within the college community. The success of the Internal SMART HACKATHON 2023 underscores SRGEC TECHDOC's commitment to nurturing a dynamic and forward-thinking environment, preparing students for the challenges of the modern technological landscape. This event not only celebrated the spirit of innovation but also

contributed to the ongoing evolution of technology and education at Seshadrirao Gudlavalleru Engineering College.
