GEC ALUMNI ASSOCIATION

DISA ...a way forward

20-04-2024

On behalf of GEC Alumni Association, DISA... a way forward, an orientation programme for I B.Tech students was organized on 20th April 2024. The programme was organized by Mr. G. Balaji, Advisor – GEC Alumni Association, which was planned by Dr. P. Kodanda Rama Rao, Vice-Principal Administration. The programme started with garlanding the statue of late Sri. V.V.R. Seshadri Rao, father of Gudlavalleru Engineering College by the alumni who attended the programme. Later on, the alumni of the respective departments were taken to the respective venues arranged for the interaction of alumni with the students. Then, In-charge Head of the Department, EEF, Dr. M. Siva Kumar gave welcome address, introduced the alumni to the audience and suggested to get benefited by the programme effectively. Mr. K. Muralidhar, Mr. K.G.N.V Krishna Sai, Mr. K. Chandra Sekhar and Mr. Ch. Eswar Chand were the resource persons for the programme.

Alumni and college officials at the Statue of late Sri V.V.R. Seshadri Rao

Mr. K. Muralidhar (02 Batch) is working as IT Delivery Manager, Johnson Control Pvt Ltd, Bangalore. He advised to develop soft skills and communication skills so that they can excel anywhere in the world. He gave the details about various career options and opportunities available for engineers at present industry scenario.

Mr. K. Chandra Sekhar (13 Batch) is working as Executive Coder, Optum Health Care, Chennai. He advised to develop creative skills and coding skills so that they can excel anywhere in the world. He suggested developing self learning capability. He shared his bonding with the Gudlavalleru Engineering College and advised the students to utilize the library and e-resources in updating their knowledge.

Mr. K.G.N.V. Krishna Sai (13 Batch) is working as Senior GIS Engineer, Aeron Systems Pvt Ltd, Pune. He inspired the students with his motivational words. He presented a nice PPT to the students and motivated them. He shared his experiences in the work area and motivated the students to come up with new ideas. He highlighted the points on what the industries are expecting from engineers and what does an engineer need to do to adapt to changing technology. He asked the students to correlate the laws in EEE with real life. He asked to develop time management skills.

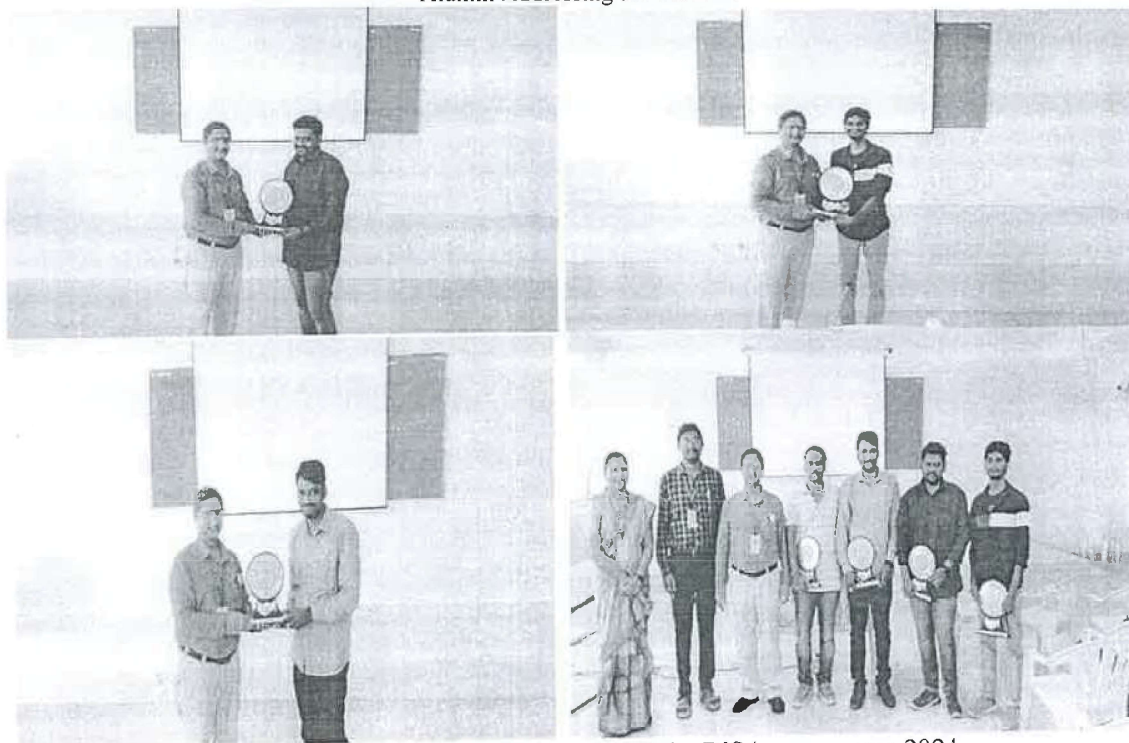

Mr. Ch. Eswar Chand (17 Batch) is working as Hardware Engineer, VLSI Chip Design, Lewiz Communications, Inc, Hyderabad. He explained about The VLSI industry as a broad field, and there are several areas of specialization such as analog/mixed signal design, digital design, or physical design. He mentioned that by specializing in a particular area, one can become an expert in that field and take on more challenging roles. He cautioned the students to plan before hand and suggested them to learn new online courses apart from regular curriculum.

Some valuable suggestions are given by these alumni members to students on how to become a successful engineer and a good human being with good ethics and morals. It is conveyed to students that SRGEC Alumni would like to make best efforts to ensure that all the outgoing students of this almighty college to live up to industrial expectations and standards.

The alumni members are felicitated with GEC Alumni Association mementos by Dr. M. Siva Kumar, Professor of the EEE Department. Mrs. Sufia Khanam, Alumni Co-ordinator of EEE Department proposed vote of thanks.

GEC ALUMNI ASSOCIATION

DISA ...a way forward

20-04-2024

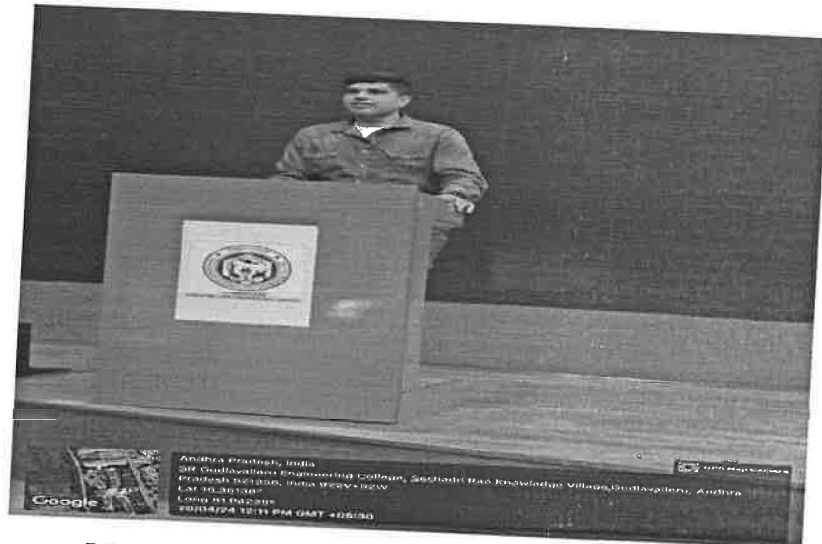

On behalf of GEC Alumni Association, DISA... a way forward, an orientation programme for I B.Tech. Electronics and Communication Engineering and Internet of Things students was organized on 20th April 2024. The programme started with a welcome address and introduction of alumni members to the audience by Dr. B. Rajasekhar (HoD, ECE) and Dr. Y. Syamala (HoD, IoT). Dr. M. Vijaya Kumar (2009 Batch), Mr. H. Phanendra Babu (2010 Batch) and K. J. Sree Bhargava (2019 Batch) acted as resource persons for the programme.

Dr. M. Vijaya Kumar (2005-09) currently working as a Research Consultant for Volvo Group India Pvt. Ltd., Bengaluru. He discussed the importance of Electronics and Communication Engineering in various industries. He explained the various career opportunities available to engineers. He advised and suggested the students on how to become a successful engineer and a good person.

Dr. M. Vijaya Kumar addressing the students

Mr. H. Phanendra Babu (2006-10) currently working as an IC Design Verification Engineer at Intel, Bengaluru. He emphasized the importance of improving interpersonal skills, particularly self-learning through reading and referring to organized materials. He also addressed how important it is for a student to overcome their inhibitions and transform themselves during college in order to excel in their careers later on.

Mr. H. Phanendra Babu addressing the students

Mr. K. J. Sree Bhargava (2015-19) currently working as a Senior Developer at Accenture Services Pvt. Ltd., Hyderabad. He discussed the importance of Electronics and Communication Engineering in various industries. He explained the interview process and provided tips on how to prepare a resume. He shared his experiences at Gudlavalleru Engineering College and emphasized the importance of pre-placement training in getting a job.

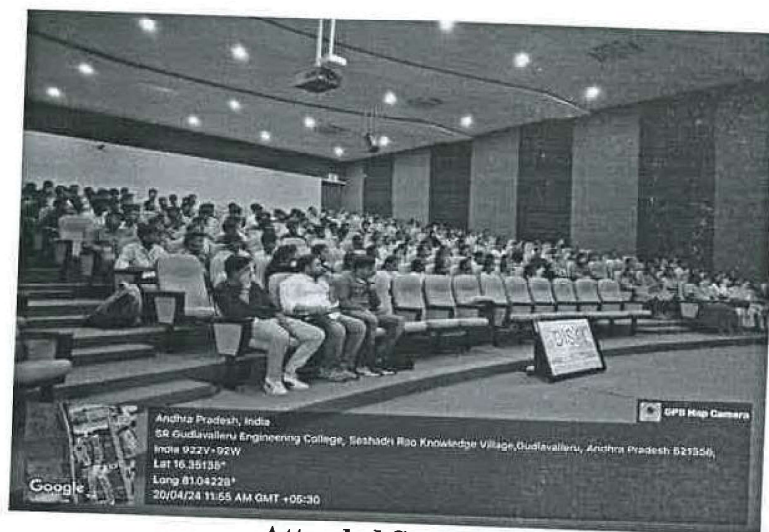

K.J. Sree Bhargava addressing the students

Alumni provided the students with valuable advice on how to become a successful engineer as well as a good human being with strong ethics and morals. The alumni members are felicitated with GEC Alumni Association mementos by Head of the departments of ECE and IoT.

Presenting memento to resource persons

Attended Students

It is conveyed to students that SRGEC Alumni wishes to make every effort to ensure that all outgoing students of this college meet industrial expectations and standards.

GEC ALUMNI ASSOCIATION

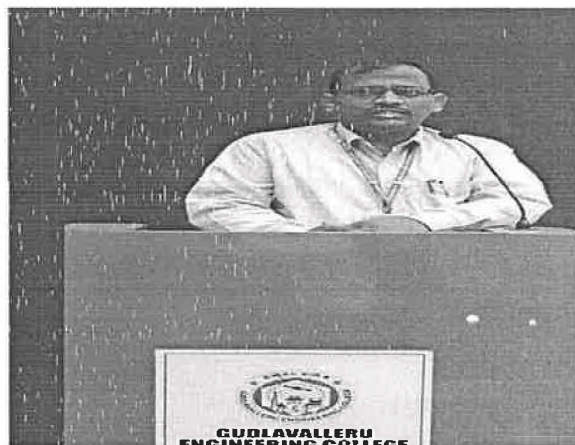

DISA ...a way forward

04-05-2024

On behalf of GEC Alumni Association, DISA... a way forward, an orientation programme for I B.Tech Computer Science and Engineering, CSE(Artificial Intelligence and Machine Learning) students was organized on 20th April 2024. The programme was organized by Mrs. T. Nagamani - CSE Department Alumni Coordinator. The programme was started with the welcome address and introduction of alumni members to the audience by Mrs. T. Nagamani, Alumni Coordinator. The department vision, mission, POs, PEOs, and PSOs were disseminated, followed by a keynote address by Dr. M. Babu Rao. HoD, CSE. The resource persons for the DISA 2024 programme are Mr.R.Sudheer Reddy(04-514), Mr. Mrs.M.V.Ravi Teja(12-582), Mr.R.Venkata Shanmukha Saiteja(16-519) and Mr.G.Naga Venkata Hemanth(18-502).

Garlanding by AAGEC president D. Mahesh and officials gathering

Program addressing by the HoD, CSE

Mr. Sudheer Reddy (04-514) is presently working as Engineering Manager in Walmart Global Tech, Hyderabad. Mrs. Sudheer is having total of 15 years experience and previously he worked in Capgemini and in WIPRO. He shared his experiences in Gudlavalleru Engineering College. He explained the importance of GATE exam, advised the students to utilize the library and e-resources for updating their knowledge. He stressed on what the industry is expecting from engineers and what does an engineer need to do to adapt to changing industry expectations. He explained different job roles in software industry with real time examples. He gave the details about various career options and opportunities available for engineers in light of present industry scenario.

Mr.M.V. Ravi Teja (12-582), is presently working as Data Analyst ,AQR Capital India Service Ltd, Chennai. He got **140 rank in GATAE-2017** and **840 rank in GATE 2016**. He explained the importance of GATE examination and suggested how to score good GATE ranks. Advised the students to utilize the library and e-resources for updating their knowledge and given guidelines on higher studies.

Mr.R.Venkata Shanmukha Saiteja(16-519) is presently working as Software Engineer, TCS, Hyderabad. He explained different job roles in software industry with real time examples. He gave the details about various career options and opportunities available for engineers in light of present industry scenario.

Mr.G.Naga Venkata Hemanth(18-502)., is presently working as Sr.Software Engineer FIS Global. He gave some tips and suggestions to students on how to become a successful engineer and a good human being. He conveyed to fresh students of GEC that the almighty is ready to give suggestions on career planning and steps to achieve their goals.

Some tips and suggestions are given by these alumni members to students on how to become a successful engineer and a good human being. It is conveyed to students that GEC Alumni would like to make best efforts to ensure that all the outgoing students of this almighty college to live up to industrial expectations and standards.

The alumni members are felicitated with GEC Alumni Association by Dr.S.Narayana,Professor & Mentor(ASA),CSE, Dr. N. Siva Chintaiah and T.Nagamani, The vote of thanks is proposed by Mrs. T.Nagamani.

GEC ALUMNI ASSOCIATION

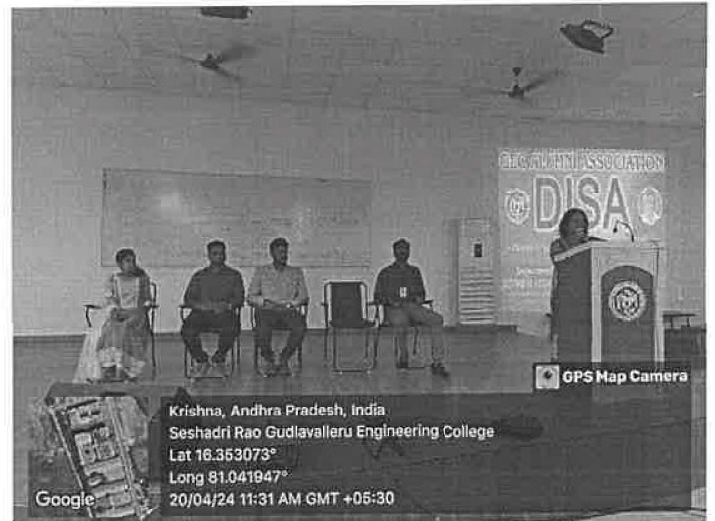

DISA ...a way forward

20-04-2024

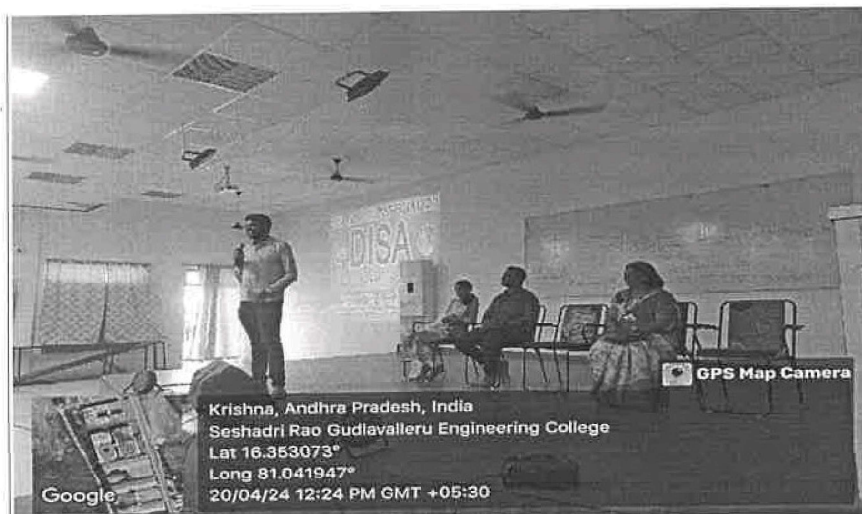

On behalf of GEC Alumni Association, DISA... a way forward, an orientation programme for I B.Tec Information Technology students was organized on 20th April 2024. The programme was organized by N Lakshmi Narayana.I –IT Department Alumni Coordinator . The programme was started with the welcome address and introduction of alumni members to the audience by Dr D.N.V.S.L.S Indira, HoD,IT., Mr.D.Mahesh (07481A1216), **Mr.B.Naveen Kumar (15481A1217)**, Ms M.Rajeswari(17481A12A0) were the resource persons for the programme.

Alumni Association president Mr D.Mahesh and other alumni garlanding the statue of Sri Late Valluripalli Seshadri Rao

Dr.D.N.V.S.L.S Indira, HoD,IT introducing the alumni and addressing the students.

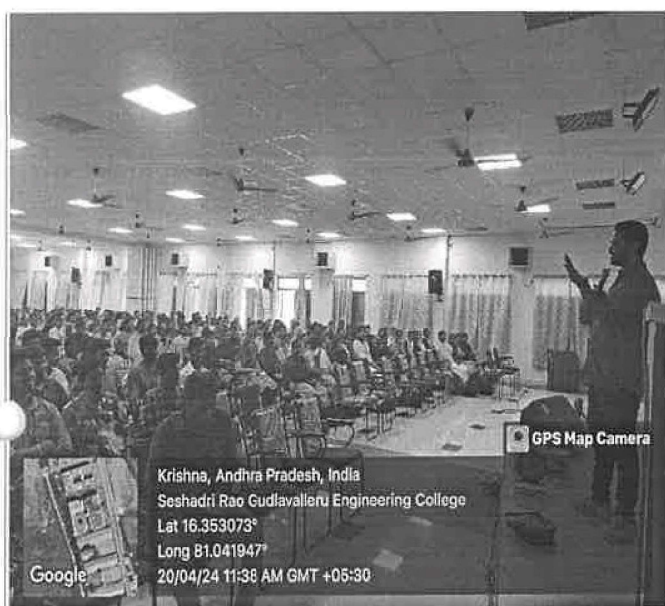

Alumni president Mahesh Dhara giving introduction on DISA to the students

Mr.D.Mahesh (07481A1216) is presently working as **Director, Product Engineering, Next Quarte Hyderabad**. He has motivated the students towards goal setting and guided students on how to prepare study plan to learn new topics. He has given some tips to the budding engineers on how to attend interviews, how to prepare engineering core subjects. He has also shared his experiences in the campus and provided valuable inputs for students effective about time management. He has also provided some valuable suggestions on how to manage time and how to build positive attitude and also given insights of Student Adoption program.

Mr.B.Naveen (15481A1217) presently working as **Technical trainer at COIGN Consultancy Pvt Ltd Hyderabad** motivated the students with excellent real world examples and guided the students in path setting and career planning. Mr Naveen explained about importance of ethics in life. Naveen has also explained about need of respecting the faculty and elder students in the campus during study.

Other Alumni member, **Ms M.Rajeswari(17481A12A6)** working as **Senior Systems Engineer ,Infosys Hyderabad** also attended the program and explained about overcoming the stage fear . She has also given some tips to give effective presentations during course study and outside the campus in seminars and paper presentations.
