Board of Studies (BoS) Meeting

12th July 2023

The Board of Studies (BoS) Meeting of Department of ECE is held on 11th July 2023 with the following agenda.

Agenda:

1. To discuss and finalize the course structure and syllabus of 1st year B.Tech ECE Programme of R23 (Autonomous) regulations.
2. To discuss the course structure of 2nd, 3rd, 4th year B.Tech ECE Programme of R23 (Autonomous) regulations.
3. To review the Vision and Mission of the Department, PEOs, PSOs of the program.
4. To review attainments of Course Outcomes and Programme Outcomes.
5. Any other matter with the permission of the chair.

Meeting Minutes:

1. To discuss and finalize the course structure and syllabus of 1st year B.Tech ECE Programme of R23 (Autonomous) regulations.
 - The BoS members accepted the course structure and syllabus of 1st year B.Tech ECE Programme of R23 (Autonomous) regulations.
2. To discuss the course structure of 2nd, 3rd, 4th year B.Tech ECE Programme of R23 (Autonomous) regulations.
 - The courses Environmental Science, Design Thinking & Innovation, and Technical Paper Writing & IPR should be included into the curriculum
3. To review the Vision and Mission of the Department, PEOs, PSOs of the program.
 - The Vision and Mission of the Department, PEOs, PSOs of B.Tech ECE are reviewed and all the members expressed their satisfaction and hence it is resolved not to change at present.
4. To review attainments of Course Outcomes and Programme Outcomes.

The board of studies members has reviewed the following CO and PO attainments.

Actions suggested by Program Committee:

From the PO attainment table all the POs are attained but to sustain this POs PC suggested the following actions:

- The awareness on technological changes can be created by insisting the students to participate in all possible number of domain specific activities/events/ programs.
- Students are encouraged towards self-learning by doing MOOCs courses.
- Attainments of Laboratory courses can be achieved by conducting the experiments using different tools and interpret all the data.
- In addition to existing courses, participation in self-learning courses will be further improved by online courses that address social issues.
- The faculty is suggested to motivate the students to go rural areas and schools, to encourage them about future studies, career guidance and address their issues.
- The students will be encouraged to work on societal problems that contribute to the society needs.

5. Any other matter with the permission of the chair.

Board of Studies (BoS) Meeting

06th July 2024

The Board of Studies (BoS) Meeting of Department of ECE is held on 5th July 2024 with the following agenda.

Agenda:

1. To discuss and finalize the II B.Tech ECE Course structure and syllabi of R23 regulations.
2. To review the Vision and Mission of the Department, PEOs, PSOs of the program.
3. To review attainments of Course Outcomes and Programme Outcomes.
4. Any other matter with the permission of the chair.

Meeting Minutes:

1. To discuss and finalize the II B.Tech ECE Course structure and syllabi of R23 regulations.
 - Probability Theory and Stochastic Process course title should be changed as Probability Theory and Stochastic Processes' and Information Theory content in unit 5 should be eliminated since they will be covered in Digital Communications course.
 - In Signals & Systems lab course, the 'Z-Transform' topics should be eliminated, since they will be covered in Digital Signal Processing course.
 - In Signals & Systems lab course, an experiment with title 'Z-Transform' has to be replaced with 'verify the properties of Fourier transform', since it should be eliminated in theory course. In the operations experiment, 'Division, Maximum & minimum' have to be eliminated. The experiments have to be reordered as per theory syllabus.
 - In Electronic Devices and Circuits course, 'Review of semi-conductor', 'PN junction diode' and 'Zener diode' topics from unit-I and the 'characteristics of CB, CE, and CC' topic from unit-III should be eliminated as they are covered in the I year BEEE course syllabus. The 'review of semiconductor physics' introductory topic should be included in unit I and content from Unit-II ('special diodes' topics) should be shifted to unit – I to balance the volume of the syllabus with in that unit. The topic 'contact potential' should be included in unit-I and 'CE Transistor equation' should be included in unit-III.
 - In Electronic Devices and Circuits Lab course, the experiments have to be reordered as per theory syllabus. The experiments 'Rectifiers and CRO operation' are to be replaced with 'LED & Photo diode' and 'MOSFET biasing' respectively.
 - In Switching Theory and Logic Design course, the text book "Switching and finite automata theory" by Zvi Kohavi has to be included. Unit-1 is to be eliminated as they are covered in I year EEE workshop course syllabus and therefore Unit-II should be renamed as Unit-I and the title "Combinational Logic Circuits Design" should be renamed as

"Combinational Logic Circuits Design -I". Unit-III should be renamed as Unit-II and title "Combinational Logic Circuits Design Using MSI&LSI" should be renamed as "Combinational Logic Circuits Design -II". Unit-IV should be renamed as Unit-III and Unit-V should be renamed as Unit-IV and "Introduction to Verilog" is to be introduced as Unit V.

- In Switching Theory and Logic Design Lab course, the experiments have to be reordered as per combinational and sequential circuits and an open-ended experiment should be included. First experiment should be eliminated because it is covered in I year EEE workshop course syllabus and the experiment 'Design of an ALU' should be included.
 - In Electronic Circuit Analysis course, the text book "Micro Electronics" by Sedra & Smith" has to be included and the topics in Unit I, II should be modified according to this textbook.
 - In Electronic Circuit Analysis Lab course, the experiments have to be reordered as per theory syllabus and the 'BJT Differential Amplifier' experiment should be replaced with the "Two-stage RC coupled amplifier" experiment.
2. To review the Vision and Mission of the Department, PEOs, PSOs of the program.
- The Vision and Mission of the Department, PEOs, and PSOs of B.Tech ECE are reviewed and all the members expressed their satisfaction and hence it is resolved not to change at present.
3. To review attainments of Course Outcomes and Programme Outcomes.
- The board of studies members has reviewed the following PO attainments and approved the suggestions given by the Program Committee.

2019-2023 Batch PO Attainment														
	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO10	PO11	PO12	PSO1	PSO2

Board of Studies (BoS) Meeting Minutes

10th April 2026

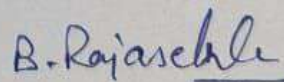

The Board of Studies (BoS) Meeting of Department of ECE is held on 09th April 2026 with the following agenda.

Agenda:

1. To discuss and finalize the IV B.Tech. ECE course structure of R23 regulations.
2. To discuss and finalize the IV B.Tech. ECE Syllabi of R23 regulations.
3. Any other matter with the permission of the Chair.

Meeting Minutes:

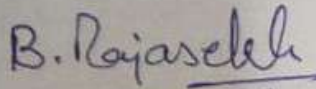

1. To discuss and finalize the IV B.Tech. ECE course structure of R23 regulations.
 - The BoS members accepted the IV B.Tech ECE course structure of R23 regulations.
2. To discuss and finalize the IV B.Tech. ECE Syllabi of R23 regulations.
 - In “Data Communications and Networking” course, include only relevant routing algorithms in the present context. Also include more topics related to application layer and reduce the topics of transport layer.
 - In “Digital Image Processing” course, include classification and object recognition concepts used in Machine Learning and remove the topics of color image processing from Unit-V.
 - In “DSP Processors and Architectures” course, some of the topics in Unit-I, which are already covered in “Digital Signal Processing” course, has to be removed.
 - In “Digital Signal and Image Processing Lab”, include an experiment related to application implemented using DSP processor.
3. Any other matter with the permission of the chair.
 - The Vision and Mission of the Department, PEOs, PSOs of the program are reviewed and all the members expressed their satisfaction and hence it is resolved not to change at present.
