**23<sup>rd</sup> IQAC Action Taken Report**

<b>Agenda</b>	<b>Minutes</b>	<b>Action Taken</b>
23.01	The Coordinator has presented a report on various academic activities taken up during the current academic year from 01-08-2021 to 25-11-2021. The committee reviewed the achievement of students in co-curricular & extra-curricular activities, placements provided, industrial visits arranged, faculty development programs conducted, faculty publications, etc.	---
23.02	Since more failures were observed in the subjects 'Problem solving using C' and 'Python Programming', it is decided in College Academic council to handle those subjects by respective branch faculty. In this connection it is resolved to impart formal training to the faculty of Civil, Mechanical, EEE and ECE by the faculty of Computer Science and Engineering and Information Technology.	Following actions were chalked out : Faculty from Civil, Mechanical, EEE and ECE who are interested to handle C programming and Python programming were identified and training classes are scheduled to make them proficient in the subjects.
23.03	It is decided to extend financial support to faculty undergoing skill development programmes.	Heads of the departments are instructed to inform about the financial support to faculty who would like to undergo skill development programmes. And they are in progress.
23.04	Members expressed their opinion that at Post graduation level it must be made compulsive and for undergraduate students more emphasis may be given to publish their work.	Heads of the departments are instructed to make publications mandatory for PG students. And Undergraduate students may be strongly motivated to publish their project work.
