Policy on Financial Support to attend seminars/conferences and workshops

FROM QUALITY DOCUMENT

- 1. No one shall be sponsored for conference, unless his paper is accepted. In special circumstances when it will be very useful to the institute, a nominated senior faculty may be sponsored.
- 2. In the cadre of Assistant Professor, one should have a minimum of two years service.
- 3. No staff member shall be sponsored for more than two times in an academic year, including paper presentations and training programmes.
- 4. Professors 2 Seminars / Conferences / Training programmes with financial commitment and 2 seminars/conferences/Training programmes without financial commitment in one year.
- 5. For delivering guest lectures at institutions, key note lectures, chairing sessions at conferences/symposia etc. on invitation, academic leave is granted without financial assistance for two times in an year for Professors, and one time for other faculty subject to a maximum of four days each time.
- 6. Faculty sponsored for Paper Presentations and Training programmes in India will be paid Registration Fee, Second Sleeper charges and DA subject to a maximum Rs.10,000/- in case of IITs, NITs and Government owned Universities/organizations and Rs.5,000/- for others. These will be paid only after giving the presentation in the department and after submitting material to the departmental library, and producing a certificate from the HOD.

For International Conferences held Abroad:

- 1. 50% of actual expenses including registration fee or Rs.30,000/- whichever is less will be paid.
- 2. Eligibility: PG qualification, 3 years of experience in this college for a Assistant Professor, 2 years for Associate Professor and 1 year for Professor.
- 3. Only one member will be granted from each department on first come first serve basis in an academic year (July 1st to June 30th).
- 4. Any teacher once avails this is not eligible for the next 3 years.
- 5. The financial assistance will be given to one of the authors who will be presenting the paper.
- 6. Academic leave will be sanctioned for journey time and conference days only.

NOTE: The financial support and academic leave will be given for full paper presentations only which will appear as full paper in the proceedings and not for papers accepted for poster presentation. Participants should produce participation certificate. For International Conference in India, the guidelines are as per the other paper presentations in India limiting the payment to Rs.10,000/- or less including all expenses. The financial support given by the organizers shall not be duplicated while claiming registration fee, TA, DA and other allowable expenses.

shout the FDP

The industries and organizations such as automobile, aerospace, ship building, additive manufacturing. Renewable energy sources, etc. are using new trends in their manufacturing with latest designs for their products. The organizations are working continuously and striving for optimum design of their products as technology is changing rapidly for producing cost effective products and satisfy the customer needs. The world class industries trying to grab the global market with cost-effective products.

The main objective of the FDP is to train the faculty and researchers in the important areas of industrial relevance through academic and industrial experts. It also provides comprehensive idea of new industrial practices and makes them adapt to their academic curriculum. It is a right platform to share their views with researchers, academicians and industry.

Focus will be on the following research areas

- Additive Manufacturing Technologies: An overview about 3D & 4D Printing methods.
- An overview on research possibilities in advanced material removal processes.
- Manufacturing activities of new ship construction and ship repairs
- Design for Additive Manufacturing

Resource Persons

The experts are from reputed national and international academic institutions and professional leading industries. The details of the resource persons are as follows

Dr. B K C Ganesh

Founder and Certified Trainer, Print 3D Technologies, Tirupathi

About Registration For Online Faculty Development Program

The Registration fee is Rs. 500/- for faculty members

E- Certificate will be issued to all the participants who actively participate and involve in all sessions.

As the number of seats are limited to 200. The interested participants are requested to send E- mail well in advance. The confirmation will be sent to the participant's registered mail ID based on first come first serve basis.

Eligibility

The FDP is open to researchers (full time/part time) and faculty of Mechanical, Automobile, Production and Metallurgical Engineering Departments from AICTE recognized Institutions, members from Industry and R&D Institutions.

How to Apply

Directly click on the link given below and enter all the details mentioned in the Google form.

CERTIFICATE

Sponsored by

Advancing Technology for Humanity

ICSES 326

Peer Reviewed

This certificate is presented to

Dr. Baburao Markapudi Professor & Head, CSE Department Gudlavalleru Engineering College, Gudlavalleru, AP, India.

for presenting the research paper entitled "A New hybrid classification algorithm for predicting customer churn" in the IEEE sponsored 2021 International Conference on Innovative Computing, Intelligent Communication and Electrical System (ICSES 2021) held at the Department of Information Technology, St. Joseph's Institute of Technology, Chennai, Tamil Nadu, India, during 24-25, September 2021. The conference has been organized in HYBRID MODE.

About FICTA 2021

After the grand success of past Flight editions of FICTA Conference under Springer ASSC series, it is a matter of pleasure and price to announce the Ninth edition of International Conference on Frontiers of Intelligent Computing: Theory and Applications, FICTA 2021, being Jointly organized by National Institute of Technology Mizoram, during June 25-26, 2021

The 2021 international Conference on Frontiers of Intelligent Computing: Theory and Applications (FICTA)

aims to bring together researchers, scientists, engineers, students and practitioners to exchange and share their theories methodologies, new ideas, experiences, application in all areas of intelligent computing theories, methodologies and its applications. The theme of FICTA conference series focuses on the domain of intelligent computing theories and the application to Computer and Management sciences. All accepted and registered papers under this conference will be published in Springer-Smart Innovation, Systems and Technologies (SIST) Series (confirmed) Now indexed by SCOPUS, EI Compender. INSPEC, WTI Frankfurt eG, 2bMATH, Japanese Science and Technology Agency UST), SCImago, DBLP. All books published in the series are submitted for consideration in the Web of Science.

About NIT Mizoram

The Ministry of Human Resources Development, Govt. of India vide its order no. F. 23-13-2009-TS-III Dated 30th of Oct. 2009 and 3rd March 2010, had decided to set up ten new NITs. In view of the above National Institute of Technology (NIT) Mizoram was started in the year 2010 in the state of Mizoram with an objective to impart education, research & training leading to B.Tech, M.Tech & PhD. degrees. This institute has been declared as an Institute of National Importance by an Act of Parliament. Here the students are admitted through All India Entrance Exam-Joint Entrance Exam (JEE Main). The Institute has five engineering branches – Civil Engineering, Computer Science & Engineering, Electrical & Electronics Engineering, Electronics & Communication Engineering and Mechanical Engineering. In order to support these engineering branches, there is the department of Basic Sciences & Humanities.

NIT Mizoram is an Institute situated in the scenic beauty of Mizoram, wrapped between clouds and mountain rocks, which adds to its beauty. Being amongst the most educated states of our country with a literacy rate of 91%, it beholds a very peaceful and calm environment suitable for studies. The Institute, to cope with the present competitive needs, comprises of laboratories with the latest equipment and installed with best and latest softwares which facilitate in pursuing both academic and research objectives. Each department has its own smart classroom and the institute has a full-fledged central library with myriad of text and reference books and e-books. The institute has an Innovation cell and it fosters an environment of Industry-Institute collaboration wherein students are encouraged and supported to undergo multiple internships/trainings in various industries relevant to their disciplines and also aligned to the present job market of India.

For more information about NIT Mizoram please visit the site: www.nitmz.ac.in

Dear D.N.V.S.L.S. Indira,

Paper-ID: 181

Title: CoviNet: Role of Convolution Neural Networks (CNN) for an efficient Diagnosis of

COVID-19

Congratulations!

On behalf of editorial board of FICTA-2021, we are happy to inform you that your above referenced paper has been ACCEPTED (based on the review reports) for online (virtual) presentation in FICTA-2021 conference to be organized by National Institute of Technology (NIT) Mizoram, India, during 25-26 June 2021 and publication in Springer-Smart Innovation, Systems and Technologies (SIST) Series.

Please refer to the reviewers' comments attached below which are intended to help you to improve your paper for final publication. You are advised to address the comments of the reviewers in your final paper suitably.

An accepted paper will be published in the conference proceedings (Springer SIST Series) only if the final version is accompanied by the registration fee payment information for at least one of the authors.

Instructions for Author(s) Registration & Payment of Reg. Fee

https://mail.google.com/mail/u/0?ik=5222aa3d87&view=pt&search=all&permthid=thread-f%3A170316005706508970

⁽d) Co-Author registration after one full-registration of a paper may be made at Rs. 3000/= (100 USD or 90 Euros).

⁽a) Each paper must be at least registered by one author for getting it published in Springer.

⁽b) Extra page length charges would be applicable beyond 08 pages strictly (on Springer Template available on conference website) @ Rs. 1000/= per extra page (@USD 50 or 45 Euros per extra page). You have to make a combined fund transfer in such a case (i.e. Normal Registration + Extra Page Charges).

⁽c) Additional Paper Registration by same authors is Rs. 4000 (150 USD or 120 Euros) for one additional paper only.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The paper will not be uploaded to Springer unless we receive the payment.

The payer will not be uploaded to Springer unless we receive the payment.

(g) After making the payment you are requested to fill the conference registration form and upload the payment proof (i.e. online receipt/bank transfer snapshot by renaming it with your paper-ID) through the following link:

https://forms.gle/irH2Vm2WT6VsBQ2e7

Note: (I) If more than one author (co-author) has to register for the same paper; they shall fill the form separately.

(II) If an individual author gets registered for two papers; then the form has to be filled for each paper separately.

The above registration process should be completed by or before 23 May 2021 (Strict Deadline).

- (h) The process for final paper (CRC) submission and copyright form etc. would be communicated to you separately (After completion of the registration process).
- (i) You are requested to present the paper online (virtually) under the oral presentation session. If the registered author is unable to make a presentation; the same may be presented virtually on his/her behalf by the co-authors.
- (j) For any queries related to the registration visit the conference website or email the undersigned. Kindly mention your Paper-ID (as mentioned above) in each communication for easy tracking at our end and serving you better in answering your queries.

Thanking You

Warm Regards

Thank you for your submission to ICICI 2021.

ICICI 2021 cordially invites you to attend the "5th International Conference on Intelligent Data Communication Technologies and Internet of Things (ICICI 2021)" during August 27-28 in Coimbatore, Tamilnadu, India.

Following review by the programme committee, I am pleased to inform you that your submission entitled "Reversible Data Hiding using SCHEME and LSB for Secured Data Transfer" has been accepted for publication at the conference proceedings - Congratulations!

We look forward to seeing you in the conference place in August 2021 and having you participate in the exchange of Intelligent Data Communication Technologies and Internet of Things.

All accepted and presented papers will be published in Springer Lecture Notes on Data Engineering and Communications Technologies

Dr. K. Geetha,

C

The International Conference on Innovative Computing, Intelligent Communication and Smart Electrical systems (ICSES -2021) is organized by St. Joseph's Institute of Technology. The primary goal of the conference is to promote research and developmental activities in Computing, Communication and Electrical fields. It also helps unite the great minds who believe in the need for a technologically literate society. It is a powerful tool for educators to interact with their peers, share knowledge and ideas. It also offers innovative technical resources to support professional learning for educators and education leaders. The two days conference comprises keynote speeches and paper presentations. in different sessions, which help update their knowledge, thereby upgrading their organization and society

Conference Tracks

We solicit research and experience papers as well as research-in-progress and practitioner reports in any of the technical areas listed under Scope & Topics.

- ✓ Track 1: Innovative Computing
- ✓ Track 2. Big Data Analytics
 ✓ Track 3. Artificial Intelligence and Machine Learning
- ✓ Track 4: Intelligent Communications and Networks
 ✓ Track 5: Signal & Image Processing

- ✓ Track 6: Devices,RF Circuits, Systems and Antennas
 ✓ Track 7: Internet of Things
 ✓ Track 8: Internet of Gengy & Bettery Management System
 ✓ Track 9: Electric Vehicles & Smart Energy System
