NATIONAL BOARD OF ACCREDITATION (NBA)

(Constituted Under Clause 10(u) of AICTE act. 1987)

Dr. (Mrs.) Tabassum Naqvi Haider
Director – Quality Assurance

F.No. NBA/ACCR-975/07
July 19, 2008

To

The Principal/Director
Gudlavalleru Engineering College,
Gudlavalleru – 521 356,
Krishna Distt. ,
Andhra Pradesh

Sub : Accreditation Status of Programme(s) offered by your Institution.

Dear Sir:

With reference to your application for accreditation of the following programme (s) and the Expert Committee visit to your institution, the report of the visit team was considered by the various Sectoral Committees and subsequently by the National Board of Accreditation in its meeting held on 19.07.2008. Based on the recommendations of the Board, I am pleased to communicate the Accreditation Status of the following programme (s) from your Institution.

Sl. No.	Name of UG Programme(s)	Accreditation Status	Period of validity w.e.f. 19.07.2008
1.	Computer Science & Engg.	Accredited	3 years
2.	Mechanical Engg.	Accredited	3 years
3.	Information Technology	Accredited	3 years
4.	Electronics & Comm. Engg.	Accredited	3 years
5.	Electrical & Electronics Engg.	Accredited	3 years

(Total number of programmes Accredited vide this letter– Five)

The Accreditation status awarded to the above programmes of your institution does not imply accreditation to the College / Institution as a whole. Complete name of the Programme(s) Accredited and its period of validity, as well as the date from which the award is effective, should be quoted unambiguously whenever it is used. The accreditation status of the above programmes is subject to periodic review by the NBA Secretariat and will be changed if major deficiencies are identified on surveillance. You are also requested to comply with the mandatory disclosure of pertinent information as per the proforma placed in the AICTE website with respect to accredited programmes of your institution. The same information should also appear in the website and information bulletin of your institution clearly indicating the date of publication of the same.

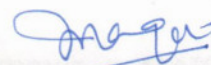

Contd....2

The status awarded to the above programmes of your college / Institution is on the presumption that the programmes would maintain the current standards in future. If there are any changes that would effectively alter the status (such as, major changes in faculty strength or changes in the organizational structure, etc.), the same shall be communicated to the undersigned, with an appropriate explanatory note. A comprehensive report submitted by the Chairman of the expert committee who visited your institution and the distribution of marks/points awarded for each programme against the accreditation parameters are enclosed for further necessary action at your end to overcome the shortcomings observed in each programme. If you are not satisfied with the decision of the Board, you may forward your appeal application with requisite fee within thirty days of receipt of this communication.

Let me also take this opportunity to congratulate all those who have contributed to the quality enhancement of programmes that secured accreditation by NBA.

With best regards,

Yours Truly,

(Tabassum Naqvi)

NBA Accreditation visit to Gudlavalleru Engineering College,
Andhra Pradesh

CHAIRMAN'S REPORT

Gudlavalleru Engineering College is located at Gudlavalleru Village, Krishna District, A.P.. The promoter society "Adusmilli Aswardha Narayan Murthy & Vallurpali Venkata Rama Seshadri Rao Educational Society" was established on 31st March, 1981 with the object of establishing Aiding and Maintaining technical, engineering and general educational institutions. The Society started "A.A.N.M. & V.V.R.S.R. Polytechnic" in 1981 and an English Medium School in 1988. The Society has started the Engineering college in 1998. The college is approved by AICTE, permitted by the Government of A.P., and is affiliated with JNTU, Hyderabad.

The college submitted proposals to the NBA for accreditation for following branches of Engineering, U.G. programmes; EEE, ME, ECF, CSE & IT.

Over and above U.G. programmes, it runs MCA(60), MBA(60) and M.Tech. in ECE (18) programmes.

The team comprising of ten experts and myself visited the college on 22nd, 23rd & 24th February, 2008 (List attached). All programmes are AICTE approved and college is affiliated to JNTU.

The Institute is spread over in 25.04 Acre of land with construction area of about 2 Lac 60 thousand sq. ft. The building is spacious & well-planned.

- ✓ The college has well defined Vision and Mission statements.
- ✓ The Governance System is in place. Governing Body meetings are regularly held. However decentralization upto faculty level is required.
- ✓ The Management is committed and are putting efforts to impart the quality education. However the team observed that to some of the fresh recruits though they are paying basic pay as per AICTE norms for initial some period they do not pay full D.A. as per State Government rules.

There is no Boys Hostel on the campus however Ladies Hostel is available with adequate facilities.

- ✓ College has a very good library facility in terms of Space, Books, Journals, CDs, etc. Each department also has the Departmental Library. Central Computing facility is quite adequate. The college has 2 mbps internet

bandwidth. Out of total 760 computers, 210 computers are with internet facility. The computers are Wi Fi Enabled.

The faculty is well qualified and committed. The college being in rural area, they have cordial relationship with each other and also with the students. However, students mostly are from the nearby village areas and hence their aspiration level is not very high.

The Department wise strengths and weaknesses observed by the experts is as under :

1. **Electrical & Electronics Engineering (U.G.) :**

Strengths :

- HOD is a dynamic leader and leads the department in a progressive manner.
- Conducive Environment to pursue the academic activities
- Well equipped laboratory and good Laboratory Manual.
- Good Innovative projects are done under the head of "Mini Projects".
- Faculty Student Ratio & Cadre Ratio is good.

Weaknesses :

- Professors do not possess AICTE qualifications.
- Industry Institution Interaction needs to be improved.
- Thrust on R&D activity & Faculty publication need to be strengthened.
- Placement Activity needs to be strengthened.
- Students need to be encouraged for appearing in Competitive Examinations.

2. **Computer Science & Engineering :**

Strengths :

- Laboratories are well maintained and has adequate floor area.

- Faculty members are working with commitment
- Good number of supporting staff with adequate qualifications are available.
- Even though the institute is located in rural area quality of student is good.

Weaknesses :

- The department has some P-II, RRIII systems, this needs upgradation or to be removed.
- In some Basic Laboratories, teaching is imparted on DOS which is required to be on Windows base.
- Existing internet bandwidth of 2 mbps should be enhanced.
- Faculty members with B.E./B.Tech. be deputed for P.G. programmes and extra efforts to recruit faculty with P.G. qualification required.

3. Communication Engineering :

Strengths :

- The department has well-qualified faculty and Cadre Ratio is also maintained.
- Performance Appraisal is carried out through students feed back and proper follow up action is done.
- Faculty is encouraged to improve qualification.
- Supporting staff is well qualified and is as per AICTE norms.
- Meritorious students seek admission in spite of remote location.
- Good Course files and Lab Manuals.
- Laboratories are well equipped and equipments are well utilized.
- Lecture CDs from I.I.T. faculty being used.

- Handouts are prepared by faculty which enable students to prepare their subjects well.

Weakness :

- Decentralization has to penetrate up to faculty level extent.
- Skill up gradation of technical support staff need enhancement.
- Students should be encouraged to actively involve in professional society activities such as IEEE, IEE, etc. More Entrepreneurship programmes need be organized. •
- Industry interaction and Alumni activities also need upgradation.
- Sponsored/Industrial Research & Development need to be enhanced.
- Consultancy & Testing does not exist in the department.

4. **Mechanical Engineering :**

Strengths :

- Department has qualified and committed faculty.
- Mechanical Engg. Is a preferred branch for admission by students.
- Department gets allocation of enough recurring and non-recurring budget, and it is utilized.
- Enough number of supporting staff is available for upkeep of the labs/workshops. Efforts are taken for their skill upgradation.
- Students are a happy and satisfied lot.
- Cordial relation exists amongst faculty, supporting staff and students.

Weakness :

- Faculty needs to undertake consultancy / R&D projects. They should then publish papers from the R&D work. At the moment, one or two faculty have publications to their credit. Others also need to be doing this.

- More efforts need to be undertaken towards improvement of communication skill of students.
- More industrial oriented problems need to be given to final year students for their project work

5. Information Technology :

Strengths :

- Department has qualified and dedicated faculties & staff with adequate cadre ratio and Faculty Student ratio. Promotion policy and performance appraisal system exist in the department.
- Faculty participation in various activities of the Department are good.
- Student admissions in the department are as per norms and Academic results of the Department are good. Student Feedback system exists.
- Academic calendar is well maintained and delivery of syllabus content are adequate. Continuous evaluation process in the Department exists.
- Department has well equipped laboratories with adequate number of PCs and licensed software.
- It has a good department library and has online access facility to Institute Library.
- Budget allocation under R&D head exists.

Weaknesses :

- All the faculties of the department do not have individual PC and access to internet.
- Faculty qualifications regular upgradation through more liberal deputation policy
- Supporting Staff in the department don't have opportunity for skill upgradation.

- Participation in competitive exams by students needs to be encouraged.
- Student placement activity needs to be improved.
- Contents beyond syllabus coverage need to be strengthened further.
- Initiative towards R&D activities like Industrial R&D, Industry Participation, Continuing education & Consultancy & Testing need to be improved.

RECOMMENDATION :

The Committee recommends to accredit all programmes as per programme wise marks allocation.

(Handwritten signature)
(V. JAYANTH N.V.)

In view of the recommendations of the Board, I am pleased to communicate the Accreditation Status of the following programme (s) from your institution:

S. No.	Name of UG Programme(s)	Accreditation Status	Period of Validity w.e.f. 11/07/2018
1.	Computer Science & Engg.	Accredited	3 years
2.	Electrical Engg.	Accredited	3 years
3.	Information Technology	Accredited	3 years
4.	Electronics & Instrument Engg.	Accredited	3 years
5.	Chemical & Biotechnology Engg.	Accredited	3 years

(Total number of programmes Accredited with Grade - Five)

The Accreditation status awarded to the above programmes of your institution does not imply accreditation to the degree / institution as a whole. Complete name of the Programme(s) Accredited and its period of validity should be indicated from which the programme is effective, should be stated unambiguously in the letter of accreditation.

mandatory disclosure of pertinent information and procedures should be followed in the letter of accreditation. The letter of accreditation should be published in the website of the institution and also in the official website of the Board. The accreditation status should be published in the website of the institution and also in the official website of the Board.

File No. 11-64/2010/NBA

August 16, 2013

To

The Principal,
Gudlavalleru Engineering College,
Gudlavalleru – 521356,
Krishna Distt., (A.P.)
Ph. No. 08674 – 273737/273888

Sub: Accreditation status of programmes applied by Gudlavalleru Engineering College, Krishna Distt., A. P.

Dear Sir/Madam,

This is with reference to online application dated 18-04-2011 from Gudlavalleru Engineering College, Krishna Distt., A.P. seeking NBA accreditation to various UG Programmes.

2. An Expert Committee conducted an on-site evaluation of the programme on 23rd – 25th November, 2012. The report submitted by the Expert Committee was considered by the Engineering Accreditation Evaluation Committee (EAEC) at its meeting held on 15-02-2013. The Executive Committee of the National Board of Accreditation considered the recommendations of EAEC at its meeting held on 05th August, 2013. The Executive Committee approved the accreditation status of each programme of the Institute as given in the table below.

Sl. No.	Name of the Programmes (UG)	Accreditation Status	Period of validity w.e.f. 05-08-2013	Remarks
(1)	(2)	(3)	(4)	(5)
1.	B. Tech. Computer Science & Engineering	Accredited	5 Years	Accreditation Status granted is valid till the programme has the approval of the Competent Authority or the period given in Col. '4', whichever is earlier.
2.	B. Tech. Electronics & Communication Engineering	Provisionally Accredited	2 Years	
3.	B. Tech. Electrical & Electronics Engineering	Provisionally Accredited	2 Years	
4.	B. Tech. Information Technology	Provisionally Accredited	2 Years	
5.	B. Tech. Mechanical Engineering	Provisionally Accredited	2 Years	

3. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to Gudlavalleru Engineering College, Krishna Distt., A. P. as a whole. **As such the Institution should nowhere alongwith its name including on its letter head etc., write that it is accredited by NBA because it is programme accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** The complete name of the programme(s) accredited, level of programmes (UG or PG as the case may be) and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

4. The accreditation status of the above programmes is subject to change on periodic review, if needed, by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the Table in paragraph 2 above, appears on the website and information bulletin of your Institution.

D.k. Palisoy

Contd/...

5. The accreditation status awarded to the programmes as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

6. Copies of the Comprehensive Report submitted by the Chairman of the Expert Committee alongwith the detailed reports submitted by the Expert team for the programme (s) evaluated which visited your Institution are enclosed for reference and to take necessary action to improve upon the shortcomings, if any, pointed out by the Expert Team.

7. If the Institution is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. D.K. Paliwal)
Member Secretary

Note: Under Para 3.4.4 of Chapter 3 of the Manual of Accreditation, 2013, it is provided that the application for accreditation received in an academic year will be considered in next academic year. Therefore, the Institute may apply if it so desires, in the academic year 2014-15 for full accreditation of the provisionally accredited programme (s) in order to have continuation of accreditation.

Encls: 1. Copy of Report of Chairman of the Visiting Team
2. Copies of Expert Report of the Visiting Team.

Copy to:

1. The Vice Chancellor, JNTU, Kakinada, Andhra Pradesh
2. The Principal Secretary (Higher Education) Government of Andhra Pradesh, J Block, 4th Floor, Secretariat Building, Hyderabad-500022.
3. The Director of Technical Education, Dept. of Technical Education, Govt. of Andhra Pradesh, Vth Floor, BRK Complex, Tarbund Road, Hyderabad-500063, A.P.
4. Member Secretary, AICTE, Chanderlok Building, Janpath, New Delhi-110001
5. Accreditation File
6. Master Accreditation Folder of the State.

The Expert Committee visited the center facilities collectively as per schedule and the departments were visited by experts concerned. The interactive sessions with students, staff, faculty members, alumni, employers and parents were held in the presence of the Expert Committee Members.

The college has excellent infrastructure facilities and a good academic environment. The buildings, girls hostel, canteen, gymnasium, amenities centers are well maintained. The laboratories are spacious and well maintained with equipment in working condition.

The Management is committed to promote quality education in engineering. The students were found to be disciplined and quite involved in learning. The undersigned interacted with a group of students of final year Electronics and Communication Engineering in their project class and was happy to note that the students were quite anxious to explain their project works with enthusiasm and a good inspirit. The communication of the students, particularly the girls was very impressive and promising. Random inspection of practical records and assignments showed that a regular evaluation by teachers is carried out. The teachers were found to be sincere and dedicated in their duties. The Institute enjoys good reputation in the region and about 95% seats are filled.

The library is well furnished with a good number of books and journals. There are spacious reading rooms in the main library and also in the reference section. Digital library is in good order. The entire process of issue and collection of books is online. The library is kept open from 8 AM to 8 PM. All departments have their own libraries in the departments.

The computing facility is satisfactory with internet connectivity of 20 MBPS bandwidth. Necessary licensed software are being used.

The interaction with the students and alumni was quite lively and suggestive. Representative of only three industries were present in the employers meeting. However, they expressed their happiness over the quality of students they have employed past years and the interaction which the institute had with them from time to time.

NSS activities, though reported to be conducted regularly, were not found up to the mark when interacted with the volunteers of NSS. Other extra-curricular activities, including sports need to be increased in the campus for both boys as well as girls.

The committee also observed a few areas which need improvement. These include

1. Qualification of faculty members.
2. Training of Supporting Staff.
3. Industrial Training of Students / Teachers.
4. Industrial Visit.
5. Entrepreneurship developments in the students.
6. Placement.
7. Tutorial Classes / Remedial Classes.
8. Faculty development programs.
9. Success rate of students.
10. Professional activities.
11. Involvement of more faculty members in research publications.
12. Interactions of faculty members with outside world.
13. Up gradation of Computers.
14. Continuing Education.
15. Communication Skill of students.
16. Mapping of Course objectives with outcomes.
17. Insufficient play grounds.

In the opinion of the committee members, the overall tendency of the institute is to focus on quality teaching – learning. Some special efforts are noteworthy; for example, to retain the teachers, incentive and motivational initiatives for faculty and staff are provided. There is a cash payment of Rs. 50,000/- for teachers with five years continuous service and Rs. 1, 00,000/- to the teachers with ten years continuous service in the institute. Similarly, for teachers with more than 3 years of experience are given an incentive of Rs. 25,000/- on getting the degree of Ph.D.

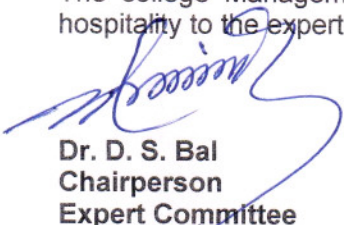

The deficiencies of the last NBA visit communicated to the institute were complied to some extent and the institute was found to be engaged in overcoming many of the weaknesses reported earlier.

The exit meeting was held in the hotel because the institute was about 65 kilometers away and it took nearly two hours to go and two hours to come to the hotel. Moreover, the road condition was also bad. In the exit meeting, the undersigned elaborated the strengths and the weaknesses of the institute and the departments before the college Management and senior faculty members in the presence of the visiting committee members. At the end, the undersigned asked the college Management whether they would like to withdraw any of the proposed programs from the process of accreditation. The college Management declined to withdraw.

In view of the above and the findings of the committee members, the following programs are recommended for accreditation as per the scores obtained:

S.No.	Undergraduate Courses
1	B. Tech – Computer Science & Engineering
2	B. Tech – Electronics & Communication Engineering
3	B. Tech – Electrical & Electronics Engineering
4	B. Tech – Information Technology
5	B. Tech – Mechanical Engineering

The college Management, faculty and staff extended a hearty welcome and very good hospitality to the expert committee during its visit of the institute.

Dr. D. S. Bal
Chairperson
Expert Committee

Subject: Accreditation status of programmes applied by Gudlalleru Engg College, Seshadri Rao Knowledge Village, Gudlalleru-521 356, Krishna Dist, Andhra Pradesh.

Sir,

This has reference to your application ID No. 1365 dated 08/05/2015 in Tier-II format seeking accreditation by National Board of Accreditation to UG Engineering programmes offered by **Gudlalleru Engg College, Seshadri Rao Knowledge Village, Gudlalleru-521 356, Krishna Dist, Andhra Pradesh.**

2. An Expert Team conducted on-site evaluation of the programmes during 25th to 27th November, 2016. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programmes as given in the table below:

S.No	Name of the Programmes (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electronics & Communication Engineering	Tier-II January 2013 Document	Provisionally Accredited	Academic Years 2016- 2017 ,2017- 2018 and 2018-2019 i.e., upto 30- 06-2019	Accreditation status granted is valid for the period indicated in col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Information Technology		Provisionally Accredited		
3.	Electrical & Electronics Engineering		Provisionally Accredited		
4.	Civil Engineering		Provisionally Accredited (647 marks awarded by Visiting Team reduced to 637 as per the observations made and indicated in the Annexure to this letter)		
5.	Mechanical Engineering		Provisionally Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

Contd../-

4. The programmes have been granted provisional accreditation. **Gudlalleru Engg College, Seshadri Rao Knowledge Village, Gudlalleru-521 356, Krishna Dist, Andhra Pradesh** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.
5. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to **Gudlalleru Engg College, Seshadri Rao Knowledge Village, Gudlalleru-521 356, Krishna Dist, Andhra Pradesh** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programmes accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the programme(s) accredited level of programmes and the period of validity of accreditation, as well as the date from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
6. The accreditation status of the above programmes is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programmes as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. Copies of the Report of Chairman of the Visiting Team and Evaluators' reports in respect of the above programmes are also enclosed.
9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

File No. 11-64-2010-NBA

Date 15-06-2022

To,

The Principal
Seshadri Rao Gudlavalleru Engineering College
(Formerly known as Gudlavalleru Engineering College),
Seshadri Rao Knowledge Village,
Gudlavalleru-521 356, Krishna Dist.
Andhra Pradesh

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier I offered by Seshadri Rao Gudlavalleru Engineering College, (Formerly known as Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavalleru-521 356, Krishna Dist. Andhra Pradesh.

Sir,

This is regarding Compliance Report submitted by Seshadri Rao Gudlavalleru Engineering College, (Formerly known as Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavalleru-521 356, Krishna Dist. Andhra Pradesh for the UG Engineering programs which were accredited by NBA in Tier-I for academic years 2019-20 to 2021-22 whose validity of accreditation would expire on 30.06.2022.

2. An Expert Team conducted data verification of the programs on 08th April, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Information Technology	Tier-I January 2016 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. Up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electrical & Electronics Engineering		Accredited		
3.	Mechanical Engineering		Accredited		
4.	Electronics & Communication Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. Seshadri Rao Gudlavalleru Engineering College, (Formerly known as Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavalleru-521 356, Krishna Dist. Andhra Pradesh should submit fresh online application through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

 Contd/-

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Seshadri Rao Gudlavalleru Engineering College, (Formerly known as Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavalleru-521 356, Krishna Dist. Andhra Pradesh** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

F. No- 11-64-2010-NBA

Date: 17-02-2022

To,
The Principal
Seshadri Rao Gudlavalleru Engineering College
(Formerly Gudlavalleru Engineering College),
Seshadri Rao Knowledge Village, Gudlavlleru,
Krishna(dt), Andhra Pradesh- 521356

Subject: Accreditation status of programs applied by Seshadri Rao Gudlavalleru Engineering College (Formerly Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavlleru, Krishna(dt), Andhra Pradesh-521356.

Sir,

This has reference to your application I.D. No. **5442-18/03/2021** seeking accreditation by National Board of Accreditation to UG Engineering programs (Tier I) offered by **Seshadri Rao Gudlavalleru Engineering College (Formerly Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavlleru, Krishna(dt), Andhra Pradesh- 521356.**

2. An Expert Team conducted online evaluation of the programs from **10th-12th December, 2021**. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-I January 2016 Document	Accredited	Academic Years 2021-2022 to 2023-2024 i.e. Up to 30-06-2024	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Civil Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. **Seshadri Rao Gudlavalleru Engineering College (Formerly Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavlleru, Krishna(dt), Andhra Pradesh- 521356** should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Seshadri Rao Gudlavalleru Engineering College (Formerly Gudlavalleru Engineering College), Seshadri Rao Knowledge Village, Gudlavlleru, Krishna(dt), Andhra Pradesh- 521356** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary
