## **Report**

The Department of Civil Engineering of Seshadri Rao Gudlavalleru Engineering College has organized a "Field Visit to the Construction Site of Aparna Constructions, Vijayawada" on 08<sup>th</sup> September, 2021 from 09:00 A.M. The main objective of the program is to make students understand the practical applications of the theoretical concepts learned during their course work. A total of 121 students from II B.Tech and 04 No. of faculty members have participated in the field visit. The students were with zeal and enthusiasm throughout the field visit.

Mr. N. Siva Naga Raju, Site Engineer, Aparna Constructions, explained the details of plan and different construction techniques handled in the site. Other faculty members clarified doubts expressed by the students. Field Visit helps students to experience and learn about construction site environment and to develop analyzing the theoretical knowledge with the practical conditions. The purpose of field visit is fulfilled and all the participated students were benefited.

The photographs of the program are as follows.
