Title of the Program : Faculty Development Program on
"Hands On Training on CATIA V6"

Sponsored by : Gudlavalleru Engineering College, Gudlavalleru

Date of Program : 26th – 31st August, 2019 (Except 30th August)

Program Coordinator (s) :

1. Sri D. Krian Prasad, Associate Professor

Resource Persons : Sri D. Rama Krishna, Trainer,
APSSDC, Dassault Systemes, 3D Experience Centre

No. of Participants : 31

About the Program : Faculty member are given hands on training in 3-D modeling software CATIA, V6 version. In this training program daily one lecture session followed by practice session is arranged. This program covered training on various modules like Sketcher, Part design and Assembly drawing.

INTERNET OF THINGS using TIVA C LaunchPad

Overview:

This workshop offers a neat introduction on the “Internet of Things” and is based on the advanced development tools from Texas Instruments. The TIVA C LaunchPad and the CC3100 BoosterPack offer a complete Wi-Fi IoT solution while the integration of Energia with the IoT platform simplifies the IoT application development. So, what will you INNOVATE?

A Three Day Training Program on "Advanced Development Tools Based IoT"
11th – 13th November 2019

Report

11th November 2019:

The Faculty and M.Tech VLSI Design & Embedded Systems students participated in the first day of the Three Day Training Programme on Advanced Development Tools Based IoT organized by VLSI & Embedded Systems research group, Department of ECE, Gudlavalleru Engineering College.

Mr T.S.Balaji, Embedded System Engineer, TI university program, has started the theory session on "Introduction to TIVA architecture, peripherals, memory mapping and low power modes, TCP/IP, internet terminologies CC3100 Booster-Pack overview" and lab session on "Introduction to Energia and Energia-Libraries: GPIO, ADC, PWM, Serial Communication using Energia" which includes overview of Energia Wi-Fi Libraries, Wi-Fi Connection, acquiring IP, Gateway IP, Static and Dynamic IP.

In the afternoon, he has started the another lab session on "overview of Energia Wi-Fi Libraries, Wi-Fi Connection, acquiring IP, Gateway IP, Static and Dynamic IP".

12th November 2019:

Mr T.S.Balaji, Application Engineer has started the theory session on "Client Server Paradigm Concept of Socket Programming and client server communication model".

In the afternoon, he has started the lab session on "Configuring TIVA C LaunchPad as client and as Server, Controlling LaunchPad using Wi-Fi Lab: IO manipulation on LaunchPad using HTTP Web browser, Wi-Fi Server Monitor: Design of Simple Web Server to monitor sensors".

13th November 2019:

Mr T.S.Balaji, Application Engineer has started the lab session on "BLYNK APPLICATION: Using BLYNK Application to control your LaunchPad . IFTTT Cloud: Integrating Blynk with IFTTT and controlling launchpad using voice commands, MQTT: Overview of MQTT protocol, MQTT Programming, Programming for publisher and subscriber."

To: The Drawing and Disbursing Officer,
All India Council for Technical Education,
Nelson Mandela Marg,
Vasant Kunj,
New Delhi - 110070

Sub: Release of a sum of Rs 440000/- for conduct of Faculty Development Programme (FDP)- reg.

Sir,

This is to convey the sanction of the Council for payment of Rs. 440000/- (Rupees Four Lakh Fourty Thousand Only) for conduct of FDP on Soft Computing-Techniques and its Applications to GUDLAVALLERU ENGINEERING COLLEGE, KRISHNA, Pin No- 521356, Andhra Pradesh, under the Scheme of Faculty Development Programme.

1. The amount of the grant shall be drawn by the Drawing and Disbursing Officer, All India Council for Technical Education on the grant-in-aid bill and shall be disbursed to and credited to the Registrar/ Director/Principal of the institute through RTGS.
2. This grant-in-aid is being released in conformity with the terms & conditions as well as norms of the scheme as already communicated, and also being communicated in this letter.
3. The sanctioned amount is debitable to the Major Head 602.6(a) Gen. of the Scheme of Faculty Development Programme and is valid for payment during the financial year 2019-20.

The instructions/guidelines to be followed by University/Institution

I. Release of funds and maintenance of accounts

- a. The Principal of the institute and the Coordinator of the program are requested to verify the correctness of the under mentioned bank account/ RTGS details submitted by them along with the Proposal, in which the grant is being released:

Institute PAN No.	Bank Name	Bank Branch Name	Bank Branch Address	Account Holder Name	Account Type	Account Number	IFSC Code
AAATA3093K	STATE BANK OF INDIA	GUDLAVALLERU	MAIN ROAD, GUDLAVALLERU - 521 356, KRISHNA DISTRICT.	PRINCIPAL, GUDLAVALLERU ENGINEERING COLLEGE	Current Account	35339035882	SBIN0001461

In case of any omission the same should be reported to AICTE immediately.

- b. The Institute shall strictly follow the provisions laid down in the scheme document and sanction order no. F. No. 34-55/16/RIFD/FDP/Policy-1/2017-18 dated 10.05.2019 issued by this office.
- c. Funds covered by this grant shall be kept separately and would not be mixed up with other funds so as to know the amount of interest accrued on the grant.
- d. The University/College/Institute shall maintain proper accounts of the expenditure out of the grants, which shall be utilized only on approved items of expenditure.
- e. The grant is intended to cover items of expenditure connected with the Faculty Development Programme such as Boarding & Lodging to the participants, TA to outstation participants, Honorarium to Course Coordinator, reading material to participants, Honorarium to resource persons, TA/DA to resource persons including two outstations resource persons & working expenses (reprographic services, postage, transport, daily wages, tea/coffee etc).

Dated: 10 May 2019

F. No. 34-55/____/RIFD/FDP/Policy-1/2017-18

- f. The FDP will be organized for 2 weeks with minimum 40 participants. The approved FDP shall be conducted within nine months from the date of release of funds.
- g. Any unavoidable circumstantial change in the Program with respect to name of Project Coordinator, Venue and date for organizing FDP would mandatorily require prior approval of the Council. All such requests should be addressed to AICTE, in advance, recording the specific reasons for proposed changes, failing which the offer for the grant already issued would be treated as automatically withdrawn and the financial assistance released in favour of the beneficiary institution shall be refunded immediately to the Council. Kindly mention the File No. 34-55/____/RIFD/FDP/Policy-1/2017-18 in your future correspondence.
- h. Program Evaluation Committee (PEC) is required to be constituted at institutional level. The constitution of the PEC shall be as under:
 - (i) Principal/Director/Registrar of the institution (Chairperson),
 - (ii) Coordinator of the program (Member Secretary),
 - (iii) Two HODs and one subject expert (members).

The members of the said PEC shall not be below the rank of Associate Professor. A test shall be conducted by Program Evaluation Committee (PEC) at the end of the program and the certificates shall be issued to those participants who have attended the program and have qualified in the test. The minutes of the meetings, along with PEC report, are to be submitted to the Council at end of the program along with other mandatory documents.

- i. GOI GFR rules (@<https://doe.gov.in/order-circular/general-financial-rules2017-0>) should be followed during utilization of grant.
- j. This Sanction Order may be treated as Offer Letter for all purposes.

Yours sincerely,

Terms and Conditions

1. redBus* is an online ticketing platform. It does not operate bus services of its own. In order to provide a comprehensive choice of bus operators, departure times and prices to customers, it has tied up with many bus operators. redBus's advice to customers is to choose bus operators they are aware of and whose service they are comfortable with.

redBus responsibilities include:

- (1) Issuing a valid ticket (a ticket that will be accepted by the bus operator) for its network of bus operators
- (2) Providing refund and support in the event of cancellation
- (3) Providing customer support and information in case of

3. Passengers are required to furnish the following at the time of boarding the bus:

(1) A copy of the ticket (A print out of the ticket or the print out of the ticket e-mail).

(2) A valid identity proof

Failing to do so, they may not be allowed to board the bus.

4. Change of bus: In case the bus operator changes the type of bus due to some reason, redBus will refund the differential amount to the customer upon being intimated by the customers in 24 hours of the journey.

5. Amenities for this bus as shown on redBus have been configured and provided by the bus provider (bus operator). These amenities will be

ABOUT GEC

Gudlavalleru Engineering College is the vision of late Sri Vallurupalli Venkata Rama Seshadri Rao, the man behind the college. It was started in the year 1998 by the AANM & VVRSR Educational Society with an intake of 180 students, 40 each in EEE, ECE and CSE branches and 60 in ME branch. The college is situated at Gudlavalleru village and is surrounded by lush green fields providing serene learning environment. Gudlavalleru is 12 Km from Gudivada, 22 Km from Machilipatnam and 58 Km from Vijayawada. The nearest airport is Gannavaram (Vijayawada) 45 Km. It also offers PG programs in M.Tech, and MBA. The college is an Autonomous Institute Affiliated to JNTUK, Kakinada and approved by AICTE. The institution is continuously striving for excellence by adopting changes to improve the systems, practices and performance. The U.G Engineering programmes, EEE, ME, ECE, CE, CSE & IT have been accorded Accreditation status by NBA of AICTE.

Our Philosophy

- We hold ourselves to the highest standards in all our academic endeavors.
- We adhere to high standards of integrity, honesty and ethics in our pursuits.
- We nurture creativity and talent.
- We provide an atmosphere of mutual respect and compassion.
- We serve the society.

ABOUT CSE DEPARTMENT

The Department of Computer Science and Engineering is one of the pioneer departments of GEC with an intake of 240. The students of this department are being selected through campus recruitment in reputed IT companies. Besides the teaching learning process, CSE department regularly conducts workshops, guest lectures, group discussions and refresher courses to enhance the skills of students and teaching community. It is continuously striving to impart quality education and competitive spirit to students for academic excellence. The continual University ranks, high GATE scores and placement of students in various software organizations in and around the country reflect the performance of the department.

About GEC

Gudlavalleru Engineering College is the vision of late Sri Vallurupalli Venkata Rama Seshadri Rao, the man behind the college. It was started in the year 1998 by the AANM & VVRSR Educational Society with an intake of 180 and 4 UG programs. GEC became an autonomous institution in 2014 and got accredited by NAAC with 'A' grade. The UG programs obtaining accreditations by NBA from 2007 onwards. GEC bagged ISTE award at National level. Presently, GEC is offering UG B.Tech programs in 8 courses, PG M.Tech program in 5 courses and PG MBA programme with a total intake of 1386. The institution is continuously striving for excellence by adopting changes to improve the systems, practices and performance. The college is situated at Gudlavalleru village and is surrounded by lush green fields providing serene learning environment. Gudlavalleru is 12 Km from Gudivada, 22 Km from Machilipatnam and 58 Km from Vijayawada. The nearest airport is Gannavaram (Vijayawada) 45 Km.

About the Cyber Security Program

Department of Computer Science and Engineering is one of the pioneer departments of GEC with a current intake of 240 in UG and 12 in PG. CSE Department also offers B.Tech in Artificial Intelligence and Data Science, one of the emerging areas, from the year 2020 with an initial intake of 60. JNTUK recognized Department of CSE as its Research Center. Department of Information Technology is established in the year 1999 and the present intake of the department in UG is 180. IT Department was accredited by NBA under Tier-I in the year 2019. The departments are continuously striving hard to impart quality education and induce competitive spirit among students for academic excellence.

Workshop Programme

This workshop is intended to provide deep dive on cyber security terminologies and concepts. It addresses about the career opportunities in the area of cyber security.

Topics to be covered:

- All About Cyber-Security
- Types of Security & demands
- Career Opportunities
- Why Cyber Security & Market needs
- Cyber-Security Courses & Certifications

About GEC

Gudlavalleru Engineering College is the vision of late Sri Vallurupalli Venkata Rama Seshadri Rao, the man behind the college. It was started in the year 1998 by the AANM & VVRSR Educational Society with an intake of 180 students, 40 each in EEE, ECE and CSE branches and 60 in ME branch. Current intake of CE, EEE, ME, ECE, CSE and IT branches are 120, 120, 180, 240, 240 and 120 respectively. The college is situated at Gudlavalleru village and is surrounded by lush green fields providing serene learning environment. Gudlavalleru is 12 Km from Gudivada, 22 Km from Machilipatnam and 58 Km from Vijayawada. The nearest airport is Gannavaram (Vijayawada) 45 Km. It also offers PG programs in M.Tech, and MBA. The college is an Autonomous Institute Affiliated to JNTUK, Kakinada and approved by AICTE. The institution is continuously striving for excellence by adopting changes to improve the systems, practices and performance.

About the Departments

The Department of Computer Science and Engineering is one of the pioneer departments of GEC with an intake of 240 in UG. The Department of Information Technology is established in the year 1999 and the present intake of the department is 120 in UG. The Department was accredited by NBA and under Tier-I in the year 2019. The students of the departments are being selected through campus recruitment in reputed IT companies. Besides the teaching learning process, both the departments regularly conducts workshops, guest lectures, group discussions and refresher courses to enhance the skills of students and teaching community. The departments are continuously striving to impart quality education and competitive spirit to students for academic excellence. The continual University ranks, high GATE scores and placement of students in various software organizations in and around the country reflect the performance of the departments.

A FIVE DAY ONLINE FDP ON BLOCK CHAIN TECHNOLOGIES

A Five day online FDP on Block Chain Technologies was conducted during 9th -13th June 2020 in the departments of Computer Science and Engineering and Information Technology in Gudlavalleru Engineering College, Gudlavalleru. The resource persons is Mr. T. Ram Kumar, Senior Lead (Blockchain Technology), Innovation Labs, Hyderabad.

The FDP covered the concepts of Blockchain Technology. The major emphasis is done on how the Blockchain Technology is playing important role in industry. This workshop is intended to provide deep dive on Blockchain Technology terminologies and concepts. It addresses about the career opportunities in the area of Blockchain Technology. First Four days of FDP covered Introduction to Blockchain, Key Vocabulary of Blockchain, Distinction between Database and Blockchain, Distributed Ledger, Structure of a block, How Blockchain ecosystem works, Cryptography Concepts related to Blockchain, Types of Blockchain, Generations of Blockchain, Example Blockchain Applications, Blockchain Technology in scientific applications, Bitcoin and Blockchain: Creation of coins, Payments and double spending, Bitcoin Scripts, Bitcoin P2P Network, Transaction in Bitcoin Network, Block Mining, Block propagation and block relay, Distributed consensus in open environments, Consensus in a Bitcoin network, Proof of Work (PoW) – basic introduction, Hashcash PoW, Bitcoin PoW, Attacks on PoW and the monopoly problem, Proof of Stake, Proof of Burn and Proof of Elapsed Time, The life of a Bitcoin Miner, Mining Difficulty, Mining Pool.

The last day of FDP covered Hyperledger Fabric- Architecture, Identities and Policies, Membership and Access Control, Channels, Transaction Validation, Writing smart contract using Hyperledger Fabric, Writing smart contract using Ethereum,

Totally 370 internal and external faculty members are participated in the FDP.

Signature of Coordinator

(Sri M. NAGARAJU)

Eligibility

The programme is open to Faculty members of AICTE approved Institutions, Research Scholars, persons working in industries and R&D organizations.

About GEC

Gudlavalleru Engineering College is promoted by AANM & VVRSR Educational Society and was established in 1998. The college is located in Gudlavalleru a rural area surrounded by lush green fields, providing serene atmosphere to learners. Gudlavalleru is 12 Km from Gudivada, 22 Km from Machilipatnam and 58 Km from Vijayawada. The nearest airport is Gannavaram (Vijayawada) 45 Km from Gudlavalleru. Gudlavalleru is well connected by Road, Rail and Air. The institute is approved by AICTE, New Delhi and permanently affiliated to JNTUK, Kakinada. The institution is accredited by NAAC with "A" grade. The college offers B.Tech programmes in six branches of Engineering, viz, Civil, Computer Science, Electrical & Electronics, Electronics & Communication, Information Technology and Mechanical. It also offers PG programmes including M.Tech and MBA. All the UG programmes are accredited by NBA. The institution is continuously striving for excellence by adopting changes to improve the systems, practices and performance.

Our Philosophy

- We hold ourselves to the highest standards in all our academic endeavors.
- We adhere to high standards of integrity, honesty and ethics in our pursuits.
- We nurture creativity and talent.
- We provide an atmosphere of mutual respect and compassion.
- We serve the society.

About the Department

The Department of Information Technology is established in the year 1999. The department has started B.Tech program with an initial intake of 40 in the year 1999 and 120 from 2012 onwards. The B.Tech. Programme is accredited by NBA thrice in the years 2008, 2013 and 2016 under Tier-II. The students of this department are being selected through campus recruitment in reputed IT companies. Besides the teaching learning process, IT department regularly conducts workshops, guest lectures, group discussions and refresher courses to enhance the skills of students and teaching community. It is continuously striving to impart quality education and competitive spirit to students for academic excellence. The placements of students in various software organizations in and around the country reflect the performance of the department.

Theme of FDP:

Data Science and Data Analytics are the most active frontier for innovation. The analysis of colossal data sets is highly important in government, marketing, medicine, finance, business etc. This program provides detailed information regarding pertinent aspects related to data sciences and data analytics. It also provides practical sessions to gain hands on experience related to data science and data analytics technologies. It stresses more on programming aspects related to data sciences and analytics using Hadoop, R and Python. It helps in applying appropriate analytic techniques and tools to analyze big data, create statistical models, and identify insights that can lead to actionable results. This FDP will bring together both academic and industry experts to provide more insight and unveil research avenues in the domain.

Resource Persons

Experienced faculty from reputed institutions including IITs & NITs and experts from industry will handle the sessions.

Major Course Contents:

- Data/ Business Analytics
- Hadoop Installation
- Map Reduce Programming
- Hadoop Spark, PIG
- Python for data science
- Data analytics using R
- Research topics in data science and data analytics
- Hands on sessions using tools like Hadoop, Spark, Python and R

FDP Outcomes:

After the completion of FDP the participants will be able to:

- Apply data science techniques to solve real world problems.
- Identify and avoid common pitfalls in big data analytics.
- Deploy machine learning algorithms to mine data.
- Interpret analytical models to make better business decisions.
- Convert datasets to models through predictive analytics.
- Understand the challenges associated with scaling big data algorithms.
- Gain the importance of choosing how to represent data when making predictions.
- Implement real world applications using various tools and technologies like PYTHON and SPARK.

Geographical Indications

- Geographical Indications of goods are defined as that aspect of industrial property which refer to the geographical indication referring to a country or to a place situated therein as being the country or place of origin of that product. Typically, such a name conveys an assurance of quality and distinctiveness which is essentially attributable to the fact of its origin in that defined geographical locality, region or country.

Technical Field

This invention relates generally to water flow into tubs, spas or showers and, more particularly to control of water delivery through ports in tubs, spas or showers.

BACKGROUND ART

Tubs, spas or showers generally have a number of fluid flow ports or nozzles. Each flow port usually transmits or jets water or a water-air froth into the tub, spa or shower. Enhanced treatment or enjoyment for a user typically results from increased control over the flow of fluid to the tub.

Claims (32)

What is claimed is:

1. A system for control of water delivery to an interior of one of a tub, spa and shower, said system comprising:

a plurality of ports adapted to be located on a surface of one of a tub, spa and shower; said plurality of ports configured to transmit water to said interior of one of a tub, spa and shower; and

a flow control device adapted for fluid communication with a water source, said device comprising:
