*Research and Innovation Centre

Meeting Minutes of the Research Advisory Committee:

The meeting was convened to discuss and review various research-related matters, including collaborations, the establishment of Research Centres and Centres of Excellence, seed money approval for research proposals, allocation of funds and resources for research initiatives, faculty engagement in external funding projects, and any additional points.

1. To discuss on collaborations with industry, other institutes, and research organizations.

- The chair initiated the discussion on potential collaborations with external partners.
- Participants shared their ideas and experiences regarding existing and potential collaborations.

- To discuss plans and progress in establishing Research Centres and Centres of Excellence.
2. **The progress of ongoing efforts to establish Research Centres and Centres of Excellence was presented.**
 - Participants provided feedback on the proposed plans and suggested areas of improvement.
 - Action items were assigned to concerned individuals to further develop and expedite the establishment process.
 3. **To discuss the allocation of funds and resources for research initiatives for 2021-22.**
 - The current allocation of funds and resources for ongoing research initiatives was reviewed.
 - Participants deliberated on prioritizing certain projects and optimizing resource allocation.
 - The finance team was requested to prepare a revised allocation plan based on the discussion.
 4. **The chair invited participants to raise any additional points.**
 - One participant proposed continuing a mentorship program for young researchers, which received unanimous support.
