Memorandum of Understanding (MoU)
(Implementing Career Readiness Programs)

SmartBridge Educational Services Pvt. Ltd.
info@thesmartbridge.com

Memorandum of Understanding (MoU)

THIS MoU HAS BEEN EXECUTED ON THE 6TH DAY OF JANUARY 2020 BETWEEN

M/s. SmartBridge Educational Services Pvt. Ltd, having its registered office at Plot No. 132, 2nd Floor, Above DCB Bank, HMT Nagar, Nacharam, Hyderabad, Telangana – 500076 hereinafter referred to as "**Company**".

AND

Gudlalleru Engineering College having its registered address at Sheshadri Rao Knowledge Village, Gudlalleru, Krishna (D), Andhra Pradesh 521356. Hereinafter referred to as "**College**".

WHEREAS:

- A. Company is an EdTech company which offers outcome based experiential learning programs on emerging technologies for building skills for students bringing academia (faculty), technology partners and students together through career readiness programs (technology bootcamps, hands on training programs etc.) for students by partnering with institutions.
- B. Company also represents that it has necessary skills, technology, infrastructure and partner engagement with leading technology industry partners (viz., IBM and Blue Prism through training and certification among other partners) that offer Externship Programs (defined later), through experiential learning to Students which provide them direct experience through which students can use analytical skills and apply new ideas from their experience in their classroom learning. These experiential learning includes externships, guided projects, build-a-thons and provides practicum opportunities to the Students.
- C. College based on the aforesaid representations of the Company, has expressed its interest as an institution to avail the career readiness programs for the students.
- D. The Parties now wish to collaborate with each other, to equip Students of college, with skills through externships & guided projects in leading technology areas offered by industry partnerships facilitated by the Company, as per the terms and conditions mentioned herein.

NOW, THEREFORE, in consideration of the foregoing, benefits and covenant contained herein and for other good and valuable considerations, the Parties, intending to be legally bound, hereby agree as follows:

1. SCOPE OF WORK:

Both the Parties are desirous to collaborate with each other to prepare the students as per the industry requirements and enhance their employability. The company will organise the job preparedness programs indicated below for college students and assist them in obtaining internships and placements.

- a. **Externship Programs:** Externship programme is an industry-approved, hands-on learning opportunity for students to gain employment skills. Hands-on training, guided projects, and mentor assistance are all included in the curriculum to help students comprehend technology and apply it to real-world usecases.

The following are the few examples of Externships:

Externship Program	Industry Partner
Artificial Intelligence	IBM
Applied Data Science	IBM
Data Analytics	IBM
Internet of Things (IoT)	IBM
Robotic Process Automation	Blue Prism
Salesforce Platform Developer	Salesforce
Modern Application Developer	VMware

Externship programs are suitable for the students in their early years of graduation to choose right career path and to build their profile.

More details are available at: <https://smartinternz.com/externship>

- b. **Guided Projects:** Guided projects are hands-on project exercises to learn & apply technology concepts. Guided projects include the step-by-step instructions in text or video format to follow and develop the entire project. Guided projects are real-world usecases from various business domains such as healthcare, finance, retail, supply chain, energy etc. and they are also categorized based on complexity (i.e., Basic, Intermediate, Advanced)

Refer the link for more details: <https://smartinternz.com/guided-projects>

- c. **Challenges / Project Build-a-Thons:** Challenges or Project build-a-thons are industry sponsored programs to upskill the students in emerging technologies. These programs are organized in partnership with companies like IBM, Blue Prism, VMware, Tableau, GoDaddy etc. The build-a-thon includes e-learning, hands-on bootcamps and mentor guided project development.

Find more details about build-a-thons at: <https://smartinternz.com/challenges>

Both the parties agrees to execute above programs for the students of 1st, 2nd and 3rd year of graduation during the respective academic year. The company provides internship / placement support to the top performing students as per the company's policy.

2.0 ROLES & RESPONSIBILITIES:

A. COMPANY'S ROLE & RESPONSIBILITIES:

- a. Sign MoU with college to implement the career readiness programs
- b. Organize orientation session of SmartBridge's offering to Students & Faculty
- c. Create a college workspace on SmartInternz platform to on-board the students
- d. Enrolling the students to the platform
- e. Enrolling students to Academic Initiatives of companies
- f. Extend the company sponsored project build-a-thons to students & faculty
- g. Organize 2-Days workshops on latest technologies for students & faculty
- h. Organize externship programs for the students
- i. Assign expert mentors to guide the students

- j. Share the latest industry trends with students
- k. Create awareness on industry certifications
- l. Extend the internship opportunities to the students
- m. Mentor the students participating in national & global hackathons

B. COLLEGE'S ROLE & RESPONSIBILITIES

- a. Sign the MoU with Company to implement the career readiness programs
- b. Assign a SPOC to drive the SmartBridge programs in the campus
- c. Include Externship program as part of curriculum / credit framework
- d. Facilitate the orientation sessions for students & faculty
- e. Enroll the students in Academic Initiatives of companies
- f. Facilitate the time slots for organizing 2 Days bootcamps
- g. Enroll the students in industry sponsored build-a-thons
- h. Support the company in organizing the Internship drives

3.0 COMMERCIALS & PAYMENT TERMS:

Commercials are not covered in this generic agreement / MoU. To carry out any skilling programmes, both parties must sign into a separate business agreement.

4.0 TERM & TERMINATION OF AGREEMENT:

This agreement will be reviewed, and may be modified or amended, through the mutual agreement of the signatory parties, as may be necessary to clarify and formalize roles, responsibilities, timelines, and assurances regarding the scope of work.

The agreement can be dissolved at any time after **31st December 2022** from the date of entering into this agreement by mutual consent of the parties, in which event the parties shall proceed with reasonable promptness to settle the accounts of the partnership as per the outlined guidelines.

5.0 GENERAL

5.1 Title headings, Complete and Amendments:

This Agreement (together with annexures) sets out the complete and entire understanding between the Parties regarding the subject matter contained herein and supersedes all prior proposals, understandings, or other agreements, oral and written, between the Parties regarding the subject matter contained herein, and may only be modified or amended by written agreement of the Parties. The title headings used in this Agreement are for reference purposes only and shall not be deemed to be part of this Agreement.

Waiver of any breach of this Agreement is not a waiver of any other or subsequent breach of this Agreement. No waiver of any provision of this Agreement by a Party shall be effective unless it is in writing and signed by such Party.

5.4 Severability:

If any provision of this Agreement shall be found to be illegal or unenforceable by a court of competent jurisdiction, such term or provision of this Agreement will be amended to give effect to the eliminated provision to the maximum extent possible. If the court determines such action is not feasible, then any such provision shall be severable, and the remainder

of this Agreement shall continue to be given full force and effect. The rest of the Agreement will remain in effect and this

Recognised the need

*For pooling and sharing their expertise and skills for constant development and up gradation of technology in the fields of Design of power supplies, Industry Automation, PV Battery Chargers etc.

*For close co-operation between the industry and relevant technical educational institution.

*For providing a platform for training of students in practical environment, to enrich their knowledge about industrial environment and improve the scope and chance of students for better employment.

*For curriculum development and up gradation of laboratory equipment in the institution.

*To provide the academic staff with an opportunity to know the industry requirements so that they can mould their teaching methodology accordingly.

*To provide a chance for industrial people to have training of advanced course.

Voltino Systems LLP and the college in the above aspects.

In appreciation of the above and in furtherance of the common desire for improving the quality of the graduating Electrical and Electronics Engineers, Gudlavalleru Engineering College and Voltino Systems LLP agreed to join hands together.

MEMORANDUM OF UNDERSTANDING

Between Department of Electrical and Electronics Engineering, Gudlavalleru Engineering College, Gudlavalleru and Voltino Systems LLP.

The objective of this memorandum of understanding is to bridge the gap between the industry and the institution on a continual basis by mutual co-operation through an exchange of strong points of either side. Both the parties have recognized their strengths and potentials and have arrived at the following MOU.

About Gudlavalleru Engineering College: Gudlavalleru Engineering College, Gudlavalleru, sponsored by A.A.N.M. & V.V.R.S.R. Educational Society, Gudlavalleru-521356, Krishna District, Andhra Pradesh, is approved by AICTE New Delhi, Government of Andhra Pradesh and affiliated to JNTUK, Kakinada. Gudlavalleru Engineering College is accredited by NBA and NAAC with A grade.

About Voltino Systems LLP: Voltino Systems designs power supplies with stringent quality standards to meet the demanding needs of industry.

Voltino innovates to bring in safety and reliability into battery charging systems and electric drive mechanisms for small commercial Electric Vehicles. Voltino systems aims at bringing innovation, both on the fronts of electrical and mechanical design of such systems considering easy maintenance, passenger and driver safety as the key concerns.

Voltino systems develops battery chargers for a range of battery chemistries ranging from VRLA, VRLA-AGM, Lithium ion, Lithium ferrous phosphate etc.

WHERE AS Voltino Systems focuses on innovation and process oriented approach to solve some of the most critical customer problems.

AND WHERE AS the college is engaged in imparting Academic and Professional quality education to the students for graduation in various branches of Engineering.

AND WHERE AS the college requested the company for assistance by the way of imparting practical knowledge acquired by the company officials to the students of the college, with a view to enrich the knowledge and understanding of the college students, up gradation of laboratory equipment, etc., and the company has come forward to render such assistance.

Memorandum of Understanding

College Name: **Gudlavalleru Engineering College**

Date: **27/09/2019**

Texas Instruments Innovation Centre (A partner of Texas Instruments India University Program)

1. Introduction

India has become a promising investment destination for foreign companies looking to do business here. **Vision India** is a Transformational Human Capital Organization offering customized People and Process solutions in the domain of Skill Development, Staffing and Business Outsourcing by making people Employable, Efficient and Effective. This initiative is expected to spur development, economical growth and thereby improving the living standard of Indian Citizen.

Education has to play very important role in providing huge pool of skilled and knowledgeable, and industry ready Employees. The future success of Indian industry depends on the growth of quality education in India, especially since Indian industry is competing globally in areas such as software and hardware electronics, automobiles, pharmaceutical, chemicals, engineering equipment etc.. However, the reality is that only a very small percentage of these students are readily employable (@25% or less as per the survey by Nasscom) and most lack industry specific skills. In order to bridge this gap between the academia and the industry and to ensure ready deployment in regular work streams, structured industry specific training is necessary. Also you need good support systems for skill development. EdGate is focused towards the same and partnered with worldwide companies to get world class technology on IOT, Embedded, Robotics and Analog systems in India.

2. Brief Introduction about College

The Gudlavalleru Engineering College is promoted by AANM & VVRSR Educational Society and was established in 1998. The college is located in Gudlavalleru, a rural area surrounded by lush green fields, providing serene atmosphere to learners. The institute is approved by AICTE, New Delhi and permanently affiliated to JNTUK, Kakinada. The institution is accredited by NAAC with "A" Grade. The college offers B.Tech programmes in six branches of Engineering, viz, Civil, Computer Science, Electrical & Electronics, Electronics & Communication, Information Technology and Mechanical. It also offers PG programmes including MBA. All the UG Programmes are accredited by NBA. The Institution is

continuously striving for excellence by adopting changes to improve the systems, practices and performance.

3. Brief Introduction about EdGate Technologies Private limited

EdGateTechnologies Private Limited is **Texas Instruments India University Program Partners**. EdGate has an extensive presence all over the country and well established connectivity within the academic and corporate communities. Our aim is to reach out to the Corporate, educators and the engineering student community to help them achieve more in their research and their learning initiatives.

Services offered to Universities under Texas Instruments India University Program

- Presales Guidelines
- Sales and Continuous Post Sales support
- Installation and Training
- Train the Trainer Program (Customized)
- Seminar/Workshop (Customized)
- Faculty Development programs (Customized).

EdGate has setup Texas Instruments Labs in various Engineering colleges across India. EdGate has signed 150+ MOU's and 25 TIIC's with Engineering colleges under Texas Instruments University Program.

EdGate Technologies provide a whole range of services by leveraging its business expertise by strategic alliances with leading technology providers & are Sole authorized distributors of following Partners

- Miango Communication, USA : Mango has its roots in the Rice University Wireless Open-Access Research Platform (WARP) project, originally an NSF-funded research
- Project that has grown into a self-sustaining open-source wireless research platform.
- SoftDB, Canada (Texas Instruments – Third party developer)
- Techno soft motion, Switzerland (Texas Instruments – Third party developer)
- Neeuro, Singapore (Senzeband Brain Wave Technology)
- Link Research, USA (Texas Instruments – Third party developer)

Texas Instruments University Program

The TI University Program is the intersection between TI technology, educators and the engineers of tomorrow. Our advanced analog and embedded processing technologies fuel the passions of students and educators in university labs worldwide. Established in 1982, the TI University Program is a global program dedicated to supporting educators, researchers and students in facilitating the inclusion of TI analog and embedded processing in engineering classrooms, teaching and research labs, textbooks, design

projects and course curriculum. By building relationships with educators, TI works to bridge the gap between the business and academic world. Incorporating TI technology into curriculum provides educators with the ability to teach real world concepts and complement this with a unique hands-on learning experience utilizing TI tools, making it more exciting, relevant and valuable to the student.

Working with TI increases the knowledge base of future engineers so that they interact with industry-standard technology before they graduate. TI helps to develop the skills needed to tackle tomorrow's most challenging problems. By providing students access to the largest and most advanced analog and embedded processing portfolio, the TI University Program provides the tools necessary to inspire innovation and take engineering concepts from the book to the breadboard.

1. **Contribution and Expectation of EdGate Technologies under Texas Instruments India University Program**

As on-ground deliverables, EdGate Technologies will provide the following:

- a) **Curriculum:** EdGate will provide the Curriculum for Texas Instruments Labs. Colleges should find ways to incorporate curriculum in their syllabus.
- b) **Lab Setup:** The College will set up a lab which will be entitled "**Texas Instruments Innovation Lab**" at its premises.
- c) **Faculty Development Program:** College will organize at least one faculty development program in its premise for its faculty members and faculty members of other Indian engineering institutions to teach TI Platform. The College will provide the infrastructure facility for conducting the faculty development program. **EdGate Technologies Pvt Limited** will help the college in conducting this program.
- d) **Workshops/Events:** If the College wishes to organize a national event in the area of TI Platform, **EdGate Technologies Pvt limited** will provide speakers.
- e) **Training Programs:** **EdGate Technologies Pvt Limited** will assist the college in organizing training programs/tutorials on topics related to TI Platform. Faculty members from the college who have undergone train-the-trainer program and who are certified by **EdGate Technologies Pvt Limited** as trainers may run certified training programs. College will provide certificates for the participants of such programs. **(Valid for 1 year only)**
- f) **TI Lab Engagement Program:** **EdGate Technologies Pvt. Limited** will help the College to get engaged into the **TI Innovation Centre Labs** under this program over a period of 3 months at three different levels i.e., Basic, Intermediate and Advanced.
- g) **Under TI Lab Engagement Program,** College in association with **EdGate Technology Pvt. Limited**, May organize and conduct Summer/Winter Training

Program for the students from all the nearby engineering institutes along with students from their college by charging moderate fees. EdGate Technologies will provide experts for such program on subsidies charges. EdGate will certify those students.

2. Contribution from Gudlalleru Engineering College

Faculty Mentor: Qualified Faculty of Electronics & Communication Engineering, Instrumentation&Control Engineering, Biomedical Instrumentation, Computer Engineering, and Information Technology (preferably with programming knowledge on C; C++) will be made point of contacts and will mentor interested students.

- b) Peripheral components: Institute will make arrangement for other equipment required for setting up the lab and for the maintenance of the lab.
- c) Financial: Institute will operate the Centre with the help of existing staff.

Gudlavalleru Engineering College – Texas Instruments Innovation Centre (TIIC)

EdGate Technologies aimed at establishing a collaborative bridge between companies and colleges with the objective of making students in the Engineering Colleges and Schools have a greater hands on experience in technologies related to :-

- a. Ultra Low Power Applications
- b. Embedded System (Real time system Design)
- c. Internet of Things (IOT)
- d. Robotics Lab With Brain Wave Technology

These programs would go a long way to get the students hands on project experience in state of the art Micro-controller boards which are being developed by Texas Instruments. The experience will include hands on software and hardware skills which are highly desired by industry. These projects will provide an experiential appreciation of the latest technologies giving the students significant edge across multiple dimensions like knowledge, enhanced employability, project experience etc..

Gudlavalleru Engineering College – TIIC will bring in the following core values:-

Colleges:

- Ultra Low power Microcontroller Lab
- Internet of Things technology is based on the traditional Internet technology, development and extension due to its extremely wide range of applications involving almost all walks of life and therefore in order to meet the needs of industry professionals, a growing number of colleges and universities applied for Internet of Things engineering professional in teaching programs arranged in Internet of Things technology courses.
- Strong Branding and ability to attract better quality students.
- Better ranking amongst the competition.

Students:

- Exposure to state of the art technologies through hands on learning experience
- Better employability opportunities
- Showcase talent and innovation
- Participating in Texas Instruments Innovation Challenge.(If Texas Instruments conducts any contest centre will be connected with the same)

Vision forward:

EdGate Technologies hopes that once these Innovation Centres are in place and running, If Texas Instruments conducts any contest centre will be connected with the same.

AGREEMENT

THIS AGREEMENT is entered into on this Twenty **Seventh day of January, 2018** ("Effective Date") by and between Electronics & ICT Academy at NATIONAL INSTITUTE OF TECHNOLOGY, Warangal (E&ICT-NITW), with offices at Floor I, C-Block, National Institute Technology, Warangal - 506004 ("Academy"), which is an initiative Ministry of Electronics & Information Technology, Government of India, New Delhi.

And

Gudlavalleru Engineering College, Seshadri Rao Knowledge Village, Gudlavalleru-521356 which is a College in India (" Beneficiary Unit") offering academic programmes to the students in the areas of Engineering, Science and Technology.

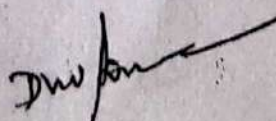

1
[Handwritten Signature]

WHEREAS, Academy organizes various programmes to improve the quality of teaching, quality of education in the areas of Computer Science & Engineering, Information Technology, Electronics & Communication Engineering and other allied areas and Beneficiary Unit wishes send its faculty/personnel to attend Faculty Development Programmes with the aim to improve their quality of teaching and also the quality of education they impart through their academic programmes to the students enrolled in.

NOW THEREFORE, the Beneficiary Unit agrees to the following terms and conditions of the Academy and shall sign this Agreement, in acceptance of the terms and conditions of the Academy as set out hereunder.

1. GRANT OF PERMISSION.

Subject to the terms and conditions of the Agreement, Academy grants to the Beneficiary Unit, a non-exclusive, non-transferable number of seats, to participate in the Faculty Development Programmes (FDPs) to be offered during one year from the effective date of this agreement. Beneficiary Unit can send any number of participants subject to total number of seats consumed in a year from the effective date is within the limit of its granted number of seats. All such participants sent by Beneficiary Unit need not pay registration fee prescribed for those FDPs and can avail all the benefits offered by the coordinator of FDP to any other participant who pay registration fee as individuals. Beneficiary Unit can send a faculty/person to attend any number of FDPs, but however each time that a faculty/person attending a FDP will be counted as a seat consumed by Beneficiary Unit. However, it cannot transfer its granted seats to any other institute/college/University or even to any other college/institute/university of their own management/administration located at a place different from the address of the Beneficiary Unit. In case, Beneficiary Unit is a member of group of institutions or in chain of institutions owned by same Management/administration and that Management/administration is interested to extend the benefits to their other institutes located at different locations, each such institute should sign an agreement with the academy. Here, the "institutes located at different locations" means the institutes set up at different towns/cities/villages. However, two or more institutes owned by the same management/administration and located in the same town/city/village will be treated as a Beneficiary Unit. Total number of seats granted to a Beneficiary Unit will be lapsed on 366th day from the effective date of this agreement and any number of seats unutilized by Beneficiary Unit will be not be carried over to the next year. Beneficiary Unit can send their faculty/personnel to a FDP if its starting date of FDP is within 365 days from the effective date.

2. CONSIDERATION

- a. Beneficiary Unit should have paid the Annual Fee.
 b. Annual fee is fixed as follows for a year from the effective date and it includes registration fee to be paid by the participants from that Beneficiary Unit subject to total number of seats benefitted in a year from the effective date is within the limit of its granted number of seats.

Type	Annual fee in Rs.	Number of seats granted to Beneficiary Unit to avail within a year i.e. 365 days from effective date.
Platinum	4.00 lakhs	100 faculty registrations
Gold	2.00 lakhs	50 faculty registrations
Silver	1.00 lakh	25 faculty registrations

3. GRANTED SEATS

Beneficiary Unit agrees to note and avail the number of granted seats by sending their faculty/personnel to attend FDPs organized by E&ICT-NITW at various locations including at Warangal and including at the location of Beneficiary Unit. Frequently, E&ICT-NITW organizes FDPs at various institutes/colleges/Universities as joint programmes of host institutes and E&ICT-NITW subject to certain terms and conditions. In case Beneficiary Unit comes forward and organizes FDP as host institute jointly with E&ICT-NITW, then Beneficiary Unit can allow its faculty/personnel to participate in such FDP and each participant will consume a seat granted as per this agreement. Any other subsidy/complimentary seats offered to the host institute organizing FDP jointly with E&ICT-NITW will be extended to Beneficiary Unit provided that Beneficiary Unit is the host institute of the FDP and such complimentary seats will not consume any granted seats.

4. OWNERSHIP

Faculty Development Programmes organized by E&ICT-NITW are owned by E&ICT-NITW and Beneficiary Unit should not consider as their programmes. However, any Faculty Development Programme (FDP) organized at an institute/college/university by E&ICT-NITW at any location other than NIT-Warangal will be joint programme of that institute/college/university as host institute and of E&ICT-NITW subject to E&ICT academy's terms and conditions which are in no way related to this agreement. Beneficiary Unit is welcome to come forward to organize such FDPs as host institute and it is independent of this agreement.

Dw/

5. PROPRIETARY RIGHTS

Beneficiary Unit is cognizant that E&ICT-NITW regards its Faculty Development Programs (FDPs) as its proprietary activities and as confidential trade secrets of great value. Beneficiary Unit agrees not to advertise or publicize this agreement for the benefit of improving its brand name. This agreement does not entitle Beneficiary Unit to claim as it is part of or partner of E&ICT-NITW. In no way E&ICT-NITW will directly or indirectly involve in the business or academic pursuits of Beneficiary Unit. THE STAKE HOLDERS OR PROSPECTIVE STUDENTS OF BENEFICIARY UNIT SHOULD NOT BE LURED BASES ON THIS AGREEMENT.

6. TERM

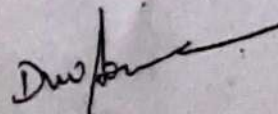

The term or period of validity granted hereby is initially **valid for a period of one year** i.e. 365 days, from the date of signing this Agreement and it shall continue to extend validity for a year upon payment of Annual Fee in force at that time. Such extensions of validity can be made three times based on this agreement. The granted number of seats is valid during the period of validity, unless and until terminated pursuant to Section 7 hereof and subject to Beneficiary Unit's proper performance of its obligations hereunder.

7. TERMINATION

E&ICT-NITW may terminate this Agreement if Beneficiary Unit is in default of any of the terms and conditions of this Agreement and fails to correct such default within ten (10) days after written notice thereof from E&ICT-NITW. Upon termination or expiry of the agreement, all unused seats on that day and time of termination automatically surrender to E&ICT-NITW. On termination, no amount will be paid back/returned by E&ICT-NITW to the Beneficiary Unit. E&ICT-NITW provides no material or no support to Beneficiary Unit after termination.

8. TERMINATION CERTIFICATE

In the event of termination, Beneficiary Unit will immediately discontinue use of granted seats within ten days after the termination of this Agreement. Beneficiary Unit will furnish to E&ICT-NITW A certificate, which certifies with unused seats at the instant of termination time automatically surrender to E&ICT-NITW. The provisions of Sections 4, 5, 8,11, and 13 here of shall survive any termination of this Agreement.

9. SUPPORT

E&ICT-NITW organizes FDPs of six days or ten days duration throughout the year in the areas of Computer Science & Engineering, Information Technology, Electronics & Communication Engineering and other allied areas. Normally, it has the objective goal of conducting around 60 numbers of FDPs in the above said areas put together. E&ICT-NITW will communicate information about these FDPs to Beneficiary Unit and also publish in its website at www.nitw.ac.in/elct/. Beneficiary Unit can look at the information and send its faculty/personnel as participants in such FDPs. However, E&ICT-NITW do not assure or guarantees the Beneficiary Unit to organize FDP in an area of Beneficiary Unit's choice or at its choice of location. Beneficiary Unit can always request E&ICT-NITW to organize FDP in a particular area of Computer Science & Engineering, Information Technology, Electronics & Communication Engineering, but it is not binding on E&ICT-NITW to oblige such request and organize it. E&ICT-NITW always plan to organize FDPs covering basic courses, core courses, elective courses, thrust areas of Computer Science & Engineering, Information Technology, Electronics & Communication Engineering and the areas suggested by high level teams permitted by Ministry of Electronics & Information Technology, Government of India.

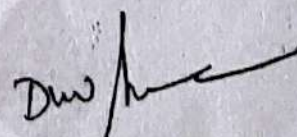

10. WARRANTY DISCLAIMER

E&ICT-NITW offers Faculty Development Programmes (FDPs), and Beneficiary Unit accepts, the FDPs "AS IS." E&ICT-NITW PROVIDES NO WARRANTIES AS TO THE FUNCTION OR USE OF FDPs, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. THE ENTIRE RISK AS TO THE PRODUCT, MATERIAL, INFORMATION, QUALITY AND PERFORMANCE, OF FDP IS WITH E&ICT-NITW AND NIT Warangal SHALL IN NO EVENT BE LIABLE FOR ANY LOSS, DAMAGE, COST OR CONSEQUENCE RELATING TO THE USE OF THE FDP.

E&ICT-NITW DOES NOT WARRANT THAT THE FUNCTIONS/CONTENT DELIVERY THROUGH THE FDPs WILL MEET BENEFICIARY UNIT'S REQUIREMENTS OR THAT THE OPERATION OF THE FDPs WILL BE UNINTERRUPTED OR ERROR FREE.

11. LIMITATION OF LIABILITY

IN NO EVENT SHALL E&ICT-NITW BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF USE, LOSS OF PROFITS OR INTERRUPTION OF BUSINESS OF BENEFICIARY UNIT, HOWEVER CAUSED OR ON ANY THEORY OF LIABILITY.

18. ENTIRE AGREEMENT

This Agreement sets forth the entire understanding between the parties with respect to the subject matter hereof, and merges and supersedes all prior agreements, discussions and understandings, express or implied, concerning such matters. This Agreement shall take precedence over any additional or conflicting terms which may be contained in Beneficiary Unit's any other kind of agreements with NIT Warangal or with E&ICT-NITW or with any order or acknowledgement for E&ICT-NITW.

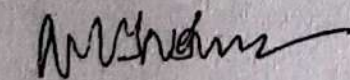

19. Arbitration:

All disputes shall be tried and resolved amicably by negotiations. Otherwise, it shall be referred to a sole arbitrator, to be appointed by the parties herein, under Indian Arbitration and Conciliation Act, 1996. The Jurisdiction of the court shall be at Hyderabad (capital of Telangana State) only.

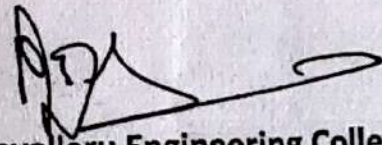

IN WITNESS WHEREOF, the parties herein, have hereunto put their hands and seal on the day, month and year first hereinabove written.

IMIS Products:

IMIS products are a judicious mix of Proprietary and Shastric (classical or generic) medicine. IMIS' proprietary medicines have been developed after careful study and trials. These products have filled some of the gaps that shastric products do not address. Many IMIS products have celebrated their silver jubilee of successful and satisfactory use and continue to enjoy the trust of our patrons.

IMIS endeavours to manufacture shastric products in the true Ayurvedic tradition. This classical approach has been handed down the ages. The Book of Reference is followed with reverence and the methods employed are purely traditional. Its Products address almost all ailments; cater to all ages and both sexes.

IMIS is one of the earliest companies to be certified with GMP (Good Manufacturing Practices) by the Government of Andhra Pradesh. IMIS is also ISO 9001:2008 compliant. IMIS' main stay has been team strength. With an impeccable record of employee-Management relationship, we have a layered management system that empowers every employee to deliver the best. Few of its products are as follows.
