Report

24th March, 2018

As a part of IE student chapter event organisation , Gudlavalluru Engineering College, a guest lecture named “Antenna applications”, has been organized for 2nd and 3rd B.Tech students on ^{24th March} 2018 .

In this guest lecture the students are brainstormed about the antennas and their various applications in our daily life. They were told about how antennas were actually installed in olden days. The disadvantages of the olden day antennas were discussed and the advantages about the antennas used now-a-days in daily households were discussed.

They were also given a brief idea about how various antennas are used for various purposes

In the guest lecture they were also told about how our mobile phones work and the antennas used in that. Even the antennas used in satellite communication were also discussed to some extent.
