APSSDC PROFILE

APSSDC stands for Andhra Pradesh State Skill Development Corporation. It is a unique organization formed as a public-private partnership corporation to promote skill-development in the state of Andhra Pradesh, India. APSSDC's objective is to create a skilled workforce by imparting skill-based training to youth and promote entrepreneurship and innovation in the state. Also to identify the gaps in the existing skills ecosystem and upgrade skills to international standards through significant industry involvement, develop necessary frameworks for quality assurance and establish state-of-art skill colleges across all MP Constituencies to redefine employability skills in the State of Andhra Pradesh. Ensure the effectiveness of the different skill development programs conducted by state government departments, corporations, societies and agencies by convergence and standardization.

APSSDC works closely with various industries and training partners to design and deliver skill-development programs that are relevant to the job market. The organization also provides placement services to the trained candidates and helps them find suitable employment opportunities. Additionally, APSSDC conducts workshops, seminars, and awareness programs to create a conducive environment for skill-development in the state.

About the College:

The college is promoted by AANM & VVRSR Educational Society, Gudlavalleru and was established in 1998. The college is situated in Gudlavalleru, surrounded by lush green fields, providing serene atmosphere to learners. The college offers B.Tech. programmes in eight branches of Engineering viz, Civil, Electrical & Electronics, Mechanical, Electronics & Communication, Computer Science, Information Technology, Artificial Intelligence & Data Science, Internet of Things and CSE (Artificial Intelligence and Machine Learning) with a total intake of 1320. It also offers five PG programmes in Engineering (M.Tech.) and Business Management (MBA). The college is permanently affiliated to JNTUK, Kakinada and obtained the Autonomous status from U.G.C. in the year 2014 and the status extended till 2025. All the eligible branches of engineering are accredited by NBA, New Delhi. The Institution is continuously striving for excellence by adopting changes to improve the systems, practices and performance levels. TCS.

About the Department:

The Department of Electrical and Electronics Engineering was established in 1998 and is offering undergraduate course in Electrical and Electronics Engineering. It has been accredited 4 times (one time under Tier-1) by the National Board of Accreditation (NBA) and recognized as Research Centre by JNTUK, Kakinada. The department has qualified and experienced staff and well equipped Labs. Students of the department have been placed in a good number of core and software organizations and excelling in examinations like GATE, CAT etc. It is also offering M.Tech course in Power Electronics and Electric Drives. Department is marching forward keeping pace with the technological advances in Electrical and Electronics Engineering.

PROGRAM REPORT

Name of the Program : A Three day Work Shop on Fundamentals of PLC-Phase II

Dates : 04th September 2018 to 06th September 2018

Details of the Resource Person : Team from APSSDC
Infosight Building, Paathuru Road, Tadepalle, Andhra Pradesh
Phone number : 099888 53338

Objective of the Program:

- To build on the foundational knowledge of PLC programming and cover more advanced concepts and to make students to identify problems associated with PLC.

Outcomes of the Program:

- Students will be able to troubleshoot common PLC issues such as input/output faults, programming errors, and hardware failures.
- Students will be able to use diagnostic tools to identify and resolve issues.

No. of Participants : 96

Concluding Remarks : This workshop has been informative and has provided students with a solid foundation in PLC technology. As students continue to work with PLCs in your daily operations, it is important to continue to expand their knowledge and skills in this area.

WORKSHOP ON FUNDAMENTALS OF PLC –PHASE II

On behalf of ESCON, we have conducted a workshop to IV B.Tech students on “**Fundamentals on PLC phase II**” during 4/9/2018 to 6/9/2018. This event was coordinated by the Escon body members under the supervision of faculty advisors Sri B.Mahesh babu and Sri.P.Bala koteswara Rao and Ms. Shaik.Jahera. Around 90 members of IV B.Tech participated in the workshop and got familiarized with the equipment and learnt to do small application oriented programs.. Students had taken part enthusiastically and interacted well. The related pictures of the event are shown below.
