Approved by AICTE, Recognized by A.P State Govt

Accredited by NAAC with 'A' Grade

Indian Servers

Department of Electronics & Communication Engineering

Participation certificate for workshop on

Ethical Hacking and Cyber Security (Level - I)

During the workshop, Participant has undergone professional training on following Competence topics

Concepts of Viruses & Antiviruses

Cyber Crimes overview

Windows Password Cracking

Malware Analysis

Sniffers

Phishing

Keyloggers

Mobile Hacking

Introduction to Kali Linux

Introduction to Metasploit

Vulnerability Scanners

Buffer Overflow

SQL Injection

Denial of Service

Web Shells

Wifi Security

Social Engineering

Trojans

XSS

Spoofing Techniques

Rootkits

Google Hacks

Report

7th March,2019

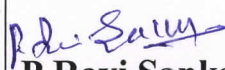

As a part of IE student chapter event organisation ,Gudlavalleru Engineering College, a two day workshop named “Cybersecurity and Ethical Hacking” is conducted for 2nd and 3rd year B.Tech students on 7th and 8th March,2019 .

As internet is growing day by day and we as students are prime users of internet should understand how responsible and safe we should be towards these issues.

In this workshop we learned how to hack websites and mobile phones and also learned the ethics that where we should use this technology.

We also learnt how we should be away from various malicious attacks that would corrupt or leak our data in our systems.

The workshop also gave us the career we can have in hacking and cybersecurity if we are passionate about that stream.

P.Ravi Sankar
