## **Bio – Data**

Mr. Ashish Kumar Sah is an Electronics and Communications Engineer who finished his Engineering from Hyderabad and is currently working as a Research Engineer at D'Cyborg India. He has a background in Electronics and Communications with knowledge of upcoming fields like Arduino, Internet of Things, Python Development and Machine Learning. He is a trainer in the aforementioned subjects and has delivered training workshops in renowned Institutes around India like IIT Hyderabad, IIT Tirupati, IIT Madras, VIT Chennai to name a few. He believes in imparting this knowledge with accuracy and perfection keeping in mind the absorbing capability and the time - constraints associated with training students in upcoming technologies to ensure that everybody learns to the best of their ability.
