PROGRAM REPORT

Name of the Program : Opportunities on the core side in UK
Dates : 26th June 2021
Details of the Resource Person : Mrs.K.Sindhu,
Senior Infotainment Project Engineer, McLaren, London
Phone number : +447587650973

Objective of the Program:

- To highlight the range of career opportunities available in the field of electrical engineering in the UK, including both technical and non-technical roles.
- To discuss the key skills and competencies that are required to succeed in the field of electrical engineering in the UK, such as problem-solving, communication, teamwork, and adaptability.

Outcomes of the Program:

- Greater knowledge of the range of career opportunities available in the field of electrical engineering in the UK, and the skills and competencies required to succeed in these roles.
- Enhanced awareness of the education and training pathways available to enter and progress in the field of electrical engineering in the UK, as well as the importance of ongoing professional development and industry certifications.

No. of Participants : 112

Concluding Remarks : The speaker also discussed the importance of staying up-to-date with the latest developments and trends in the field, highlighting the need for ongoing professional development and education. Finally, the speaker emphasized the importance of networking and building connections within the industry to maximize career opportunities.

*Awareness Program
on
Opportunities on the CORE side in UK*

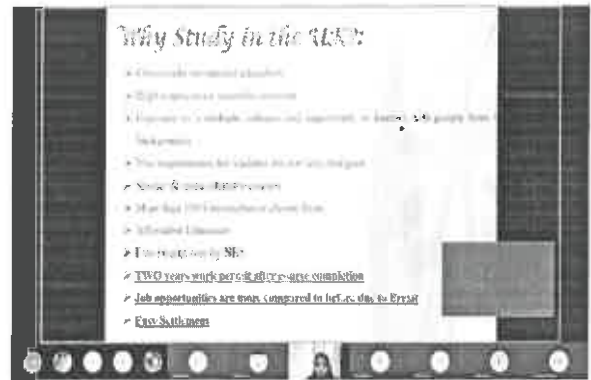

Hearty Welcome to Resource Person

Mrs. K.SINDHU
Senior Infotainment project engineer
McLaren Company, London

In association with
ECSA

Organized by
Department of Electrical and Electronics Engineering
GUDLAVALLERU ENGINEERING COLLEGE
Seshadri Rao Knowledge Village, Gudlavalluru 521 506, Krishna Dist. AP
Gudlavalluru M.C.E.S. Debarajaramaiah Sarva N.V. Nellore, Andhra

The Department of EEE is organizing an Awareness Program on “**Opportunities on the CORE side in UK**” by Mrs. K.SINDHU Senior Infotainment project Engineer in McLaren company in London, from 2.00 P.M to 4.00 P.M on 26-6-2021 to IV - B. Tech Students in association with IE Student Chapter. This event was coordinated by the faculty member Sri.B.Rama Krishna. In this pandemic situation for inspiring the young engineers produced in our organization the Awareness Program was conducted through online mode in Microsoft Teams platform. Around 112 members of and IIIrd B.Tech attended the Awareness Program with the topic. Students had taken part enthusiastically and inter acted well. The students are enlightened by the lecture delivered on Opportunities on the CORE side in UK and it will help them to excel in their future studies and job opportunities in UK.
