PROGRAM REPORT

Name of the Program : A one day Guest lecture on “ Opportunities for Electrical and Electronics Engineers in IT Sector ”

Dates : 18th December 2021

Details of the Resource Person : Venkateswara Rao Eegapati
Deputy Country Head TCS Financial Solutions, Beijing
Phone number : 08179287859

Objective of the Program:

- To showcase the career prospects and employment opportunities in the IT industry for Electrical and Electronics Engineers.
- To provide students with an understanding of the various technologies used in the IT sector and their applications in the field of Electrical and Electronics Engineering.

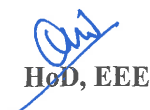

Outcomes of the Program:

- Students will be able to know the career prospects and employment opportunities in the IT industry for Electrical and Electronics Engineers.
- Students gained knowledge of the various technologies used in the IT sector and their applications in the field of Electrical and Electronics Engineering.

No. of Participants : 376

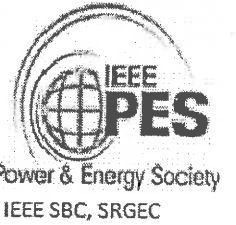

Concluding Remarks : In conclusion, the guest lecture highlighted various opportunities available for Electrical and Electronics Engineers in the IT sector. The speaker emphasized that the rapid advancement in technology has led to a convergence of the fields of electronics and IT, thereby creating numerous job opportunities for electrical and electronics engineers in the IT sector.

Report on "Guest lecture"

18th December 2021

IEEE Power & Energy Society Student Branch Chapter of Department of Electrical and Electronics Engineering is Organizing a Guest lecture on **"Opportunities for Electrical & Electronics Engineers in IT Sector"** by Mr. Venkateswara Rao Eegapati, Deputy Country Head – TCS, Financial Solutions, Beijing, China on **18-12-2021**. An event guest lecture on the Inaugural Ceremony of IEEE Power and Energy Society Student Branch Chapter was conducted for the students of I, II and IV B. Tech of EEE. This event was coordinated by the IEEE student members under the supervision of Head of the Department of EEE and IEEE faculty advisor. The contest was conducted for about 45 minutes. Students are well awarded of the various opportunities of electrical engineers graduates in the field of information tech and related sectors.
